Connie Skidmore retires as Sutton Library Director Putnam man accused of sexual abuse at Braxton campground

By Shirley Shuman

After eight years of dedicated service, Connie Skidmore recently retired from her position as Sutton Library director. Concerning her experience with the library, Skidmore, who plans to continue to work with some of the library programs, said, "I appreciated the opportunity to work with the library and the community. I enjoyed my time there." As she enjoyed her time at the library, she began many new programs and received several grants which advanced the service the library offers to the community.

Connie Skidmore Computer Center

Skidmore's time as library director. One, with which Beth Atkins worked, came following a donation of a large amount of fabric. One activity in this program included making quilts to donate to pre-school classes.

After relaxation of COVID restrictions, a group began meeting each Thursday to enhance quilting and sewing skills. In addition to creating quilts for Pre-K students, participants created items they could keep for themselves. This group, Create and Donate, also created a full-sized quilt to raffle and donate money to the library (Friends of the Library.)

A program of which Skidmore said she was proud was called Tails and Tales as part of the summer reading program. Here, those in charge had the attendees do an extra program on recycling. For this project, called Cans for

Canines, participants brought in aluminum cans for recycling. "The purpose here," Skidmore said, "were to educate kids about recycling and see a way to give back to the community." This program raised over \$1,000 for the animal shelter. Skidmore noted, "Here, the library gave back to the community because the community gives to the library." These are just some of the programs that Connie Skidmore brought, or helped to bring, to the Sutton Library. Now that she has retired, she plans to continue working with some of them. In addition, she said she will have time "to quilt more and to read more." She added that she and her husband Ken "will travel some."

As one who worked closely with Skidmore during her time as library director, Pat McPherson, president of Friends of the Library, commented on the retiree. "As the director, Connie had a vision for the Sutton Library to provide patrons with a variety of programs to draw them in to the library. As a friend, Connie is caring and generous and you want to be part of the effort to carry out that vision," she said.

West Virginia State Police have arrested a Putnam County man on charges that he had inappropriate sexual contact with a male juvenile while staying at a Braxton County campground.

Trooper T.D. McFeeley of the Winfield Detachment received a complaint from the child's mother following a annual physical examination of the children by their physician. Information obtained during that doctor's visit led to Troopers and CPS

Workers interviewing the male youth and his sister. According to the criminal complaint, Zachary Isiah Jobe, 21, of Poca, WV had inappropriate contact of a sexual nature with a 14-year-old male juvenile in the shower house of a Braxton County camping facility. The youth was a relative. Officers also learned during their investigation that Jobe apparently showed videos of a sexual nature to the youth and his sister on multiple occasions. Jobe was pro-

hibited from being around the children, through the family's divorce proceedings due to his past criminal history.

Zachary Jobe was arrested by Trooper McFeeley and arraigned before Braxton County Magistrate Beth Smith since the crime allegedly occurred in this county. Jobe was charged with sexual abuse in the first degree stemming from the camping ground incident that occurred in June 2020. Magistrate Smith set Jobe's bond at \$25,000 cash only. At press time, he remains in the Central Regional Jail in lieu of that bond awaiting additional court proceedings.

Maria's Mexican Restaurant now open at "Y" in Sutton

By Shirley Shuman

On June 2, Maria Magana opened her Mexican restaurant, located at the Y in Sutton. To celebrate the grand opening, Magana "gave everyone half off on everything," she declared. She was pleased with the crowd during the grand opening and added, "Business is going well. We've been very busy." An experienced restaurateur, Magana is pleased with the move to Braxton County and with her new business.

Her experience, she explained, came from "over 25 years in the restaurant business." She pointed out that "all [her] family has restaurants." Magana came here from Nitro, West Virginia, where she managed a Mexican restaurant for a relative. Asked why she

came to this area, she was quick to point out the reasons. "I came by here and fell in love with Sutton. I like the town, especially the people," she said. "The people everywhere are friendly. You can have conversa-

tions with them; you feel like you know them. I was at the Go-Mart and the courthouse, and everyone wanted to talk." She really enjoyed talking to local people.

Commission's brief meeting ends with executive session

Last Friday's regular meeting of the Braxton County Commission was a brief session, at least the public portion. At the conclusion of the agenda items, at 9:24 a.m., President Lisa Godwin made a motion to go into executive session under the portion of state code that allows such bodies to discuss personnel matters. That closed door session lasted longer than the regular meeting. At 10:05 a.m. the meeting reconvened in regular session before adjourning with no action taken.

The meeting opened with OES/9-1-1/EMS Director John Hoffman addressing the Commission. Hoffman provided both the 9-1-1 and EMS activity reports for the month of May. The 9-1-1 report showed that the call volume was up for the month with a total of 2,738 calls coming into the communications center. He also reviewed activities surrounding the death of GVFD Fireman John Forbush as well as training for first responders at the airport. Hoffman requested permission to advertise

for a part-time dispatcher for the 9-1-1 center. That request was granted by Larry Clifton's motion.

Braxton Assessor Edie Tichner came before the Commission to request permission to hire Margaret Ann Moore to fill a part-time position in her office. Additionally, she asked that Moore be paid \$12.00 per hour and that she be allowed to start on June 6. The request was granted.

Commissioner Melvin Gum made a motion to approve the probate appointments for the month of May as presented.

It was also Gum's motion that led to approval of applications for correction of erroneous assessments for the following: Carry Oh, Willard & Arlene Moore, and Jason & Sarah Rexroad.

Six purchase orders came before the Commission for consideration. Two for the Sheriff were tabled pending additional information. The Sheriff asked to purchase lettering from Graphic Designs for two new Ford

Explorers at a cost of \$1,500. The Commission questioned why the third vehicle was not included and why "ghost" decals which were only visible by reflection were being used on marked police vehicles. The Sheriff Lou DellaMea could not answer the questions which lead to the tabling of the request. The Sheriff also requested permission to purchase 8 Dell Latitude laptop computers for the Sheriff's Law Enforcement Division at a cost of \$14,190.63. President Godwin requested that the purchase be tabled pending a search for grant funding.

Purchase orders that were approved by separate motions included: Evans Auto Repair, 4 tires for a 2009 Ford Crown Vic cruiser at a cost of \$519.60; GST for a Dell Computer for the Sheriff's Tax Office to process credit card payments at a cost of \$1,074.84; Lucky Gunner, ammunitions for duty and qualifications for Sheriff's Law Enforcement Division at a cost of \$1,495.57; Amazon, 7 Streamlight Stinger re-

chargeable LED Flashlights for Deputies - \$915.98.

Melvin Gum made a motion to allow the Commission to use the county credit card for expenses associated with the County Commissioners Association's Auditors Training July 31 through August 2.

Larry Clifton made a motion to approve resolutions pertaining to the Man Power and Court Security Grants.

It was also Clifton who introduced action to approve a recommendation from the EMS Board to appoint Keith Dancy to fill the seat recently vacated by Evelyn Post.

A request for internal budget revisions for Circuit Clerk Susan Lemon was approved on a motion by Larry Clifton.

Following reviews, the County and EMS bills were approved for payment as well as the minutes from the Commission's meeting on May 20.

The meeting adjourned at 10:05 a.m. The next regular meeting of the Braxton County Commission will be on June 16 beginning at 9:00 a.m.

Bulltown to Falls Mill Road among WVDOH paving contracts awards

Five paving projects are among six construction contracts awarded by the West Virginia Division of Highways on Friday, June 3, 2022. The projects were awarded from a bid letting held Tuesday, May 17.

One of those projects include highways in Braxton County. Meadows Stone & Paving Inc. was low bidder on a paving project from Bulltown to Falls Mill Road, with a bid of \$817,793.38.

Additional contracts awarded on June 3, 2022, were: Elite Contractors Inc. was low bidder on a cleaning and painting project on the Anmoore Bridge overpass, with a bid of \$766,830. (Harrison County); W&L Construction and Paving Inc. was low bidder on a paving contract at the rest area in Inwood, with a bid of \$3,295,057.70. (Berkeley County); West Virginia Paving Inc. was low bidder on a paving project from Baker to the McCauley Bridge, with a bid of \$885,091.59. (Hardy

County); West Virginia Paving Inc. was also low bidder on a paving project in Moorefield and East Moorefield, with a bid of \$2,449,449.10. (Hardy County); West Virginia Paving Inc. was also low bidder on a paving project from Porterwood to Moore Station, with a bid of \$376,552.50. (Tucker County)

Several factors are considered before awarding a bid, including whether a bid falls above or below the WVDOH Engineer's Estimate and by what percentage. In cases where a bid is above the Engineer's Estimate, WVDOH must consider the project need, repercussions of not awarding the project, additional funding sources, and whether sufficient reasons exist for the differences in estimates. Most projects are reviewed, analyzed, and awarded within a week of the bid letting, but the process can take longer.

Whitetail Myths
Part 1 of 2...

Deer season is still several months away, however, it is never too early to talk about whitetail deer. The whitetail deer is the most sought-after big game species in North America. Every year, nearly 12 million deer hunters take to the woods in search of the elusive whitetail.

Growing up in central West Virginia allowed my family to participate in the age-old tradition of hunting whitetail deer. It also brought out numerous myths from experiential truths about deer and their behavior or habits. In the next two articles we will discuss several of these myths and what recent science says about those ideas.

1 - The Biggest Bucks Breed All the Does - Over the years I have heard this many times, in several different states and from a lot of people. The truth is in a free ranging herd of deer the actual breeding is done by all age classes. Roughly 33% of does are bred by mature bucks (4.5 years old or older), 33% by 2.5-3.5-year olds and 33% by 1.5-year olds. I believe this myth comes from the fact many hunters see mature or older bucks with does and may even witness breeding, however, once the doe leaves that buck a year is generally waiting close by to breed her as well. Only through DNA can you verify which deer fertil-

Doe feeding through woodlot opening.

ized the egg and studies have shown it to be pretty close to a 33% chance for the mature buck vs. the 1.5-year-old spike.

2 - We don't have Big Buck Genetics in WV like in Other States - MSU Deer Lab conducted a 10-year study on this concept. They captured deer from three regions in Mississippi. Deer ranged from small coastal deer to large agriculture bucks of Mississippi's delta. The

coastal area bucks averaged small racks and small bodies (100-110lbs) and the delta bucks where 200 pound or better. Each of the deer were offered unlimited nutrition and over the life of the study, the coastal deer in the second and third generation born under those conditions became delta quality bucks. (<https://www.msudeer.msstate.edu/nutrition-and-genetics.php>). This points to the fact that while genetics do play a role in bucks growing bigger antlers, it may does not play the role many hunters believe it does. Basically, once the mother determines there is enough food on the landscape to support a larger deer, she turns on the genes to allow future generations to grow larger. As important as genetics is, nutrition and age are the drivers for big bucks. The good news is we can control age and nutrition while genetics is up to luck of the draw. Our own bow counties show these similar results - due to fewer deer on the landscape, you have more nutrition available to the deer. Additionally, a bow only season allows bucks to get older and thus nutrition and age set the condition for quality bucks. Our mission is to try to do that is our own property!

3 - Culling Deer Herds Help Increase the Genetic Quality of the Herd - "Culling" came from the cattle industry and we took the concept and attempted to apply to deer. When to talk about it makes sense, shoot the bad bucks, and allow Please turn to **EVERY ACRE** page 3

Just look at this!

A weekly photo of opinion in Braxton County... sometimes good and sometimes not so good.

Anthony Godwin of Burnsville was the lucky winner of a fire pit and grilling accessories which was the Grand Price in the Frametown Volunteer Fire Department's recent fund-raising drawing. Shown here, Tim Griffin (Right) of the FVFD presents Anthony Godwin with his prize. The FVFD would like to thank all those who purchased tickets and support the Frametown Fire Department.

What is this world coming to?

The tragedies of these past weeks nationally and locally have been more than anyone should have bear. I have watched the senseless killing like the majority of Americans with horror and shock. Like so many, I try to figure out what the root cause is. Yes, I am one of those who doesn't believe it's the gun's fault. Should we work harder to keep any weapon out of the hands of children and the mentally unstable... certainly.

That brings me to what I feel is the real cause. Our country and society as a whole has turned the other cheek to the fact that we have many in our midst that have immense mental health issues and we simple are not dealing with them. Our society seems to be taking the approach that if we ignore the issue, it will go away. Obviously, that's not happening. Inadequate help, coupled with the pressures that we are facing in our country today, contribute to more mental illness and ultimately the type of individuals that do such unthinkable acts as we now see almost daily on the evening news.

I think we have to address the mental health aspect of society to curtail this and other elements of violence.

Our elected leaders can find billions of dollars to help the Ukrainian people, surely, they can find funding to deal this such an important domestic issue. I really believe that this must be the first step to turning these troubling times around.

Tragedy struck close to home this week. When a Nicholas County Deputy was shot and killed. Tom Baker was a great guy. I didn't know him well, but our paths have crossed in emergency services and while he worked at the Nationwide agency in Gassaway. It was easy to see that he was a good person who led by example. It is a shame that his life had to end too soon.

I also fault the widespread publicity as a contributing factor. This is a double edge sword for me. I am a firm believer in the public's right to know. However, in this case, I think the coverage of these tragic events plant seeds in the minds of the mentally ill. They see such terrible acts as a way to get attention and their 15 seconds of fame.

We are going to have to think outside the box and take this bull by the horns... we don't have any time to waste either!

News from our Capitol

by Delegate Brent Boggs

We've all been horrified by the senseless murder of elementary students and teachers in Texas; the hospital campus murders in Oklahoma; and a host of other similar events in recent days. Tragedy hit close to home with our first responders last Friday when Nicholas Co. Deputy Tom Baker was killed in the line of duty and Deputy Ellison was wounded in the incident in nearby Birch River. This is on the heels of the recent tragic loss of Firefighter John Forbush. Law enforcement, firefighters and all first responders put it all on the line, every day, for our safety and security.

Central West Virginia is a small community of counties sharing the same values, co-workers, and friends. Just as we all benefit from positive economic news across counties, we likewise collectively grieve when tragedy strikes one of our own. Just one week earlier, Jean and I par-

ticipated in a memorial service on Powell Mountain at the site where two EMTs lost their lives in the line of duty. At the same time, all first responders that lost their lives in the line of duty were honored.

On a personal note to Braxton EMTs, first responders, friends, and neighbors - thank you for taking great care of Jean's mom on Saturday after she sustained a serious fall while visiting from South Carolina. She and our family are most appreciative of their rapid response and transport to WVU Braxton Memorial Hospital, where she was, thankfully, treated and released.

Marked with the recent Memorial Day holiday, West Virginia is now into the Fairs and Festival season. As always, Jean and I enjoyed the annual Kanawha Alumni Association parade in Burnsville, along with great friends and delicious food. On the horizon in mid-June is the WV Folk Festival in Glenville and Gassaway Days in late June. All of

these are great opportunities to attend family-oriented events; meet with families and friends; and support our local economy.

Finally, we just had interims in Morgantown late last month. This month is one of the rare times when the spacing between interim meetings is compressed to only a couple of weeks. As always, here is the interim legislative schedule for this month at the State Capitol:

Way back when... Long ago in Braxton County

Sutton 1880's...
The lumber industry help build the Town of Sutton in the early years. In those early days, horse and wagon traffic was not uncommon in the downtown area. She continued to say, "I love the mountains. Things are so green, and I liked seeing the lake. Everything is beautiful. As for the site of her restaurant, she explained that when she first saw it, she became "very interested." Then she went inside and "thought the same."

Her restaurant, she noted, has a full menu: lunch, dinner, appetizers and desserts. Here she mentioned that, so far, "Almost everyone gets fajitas. They come out sizzling hot served in skillets." The business will be open seven days a week. Monday through Friday, the hours are 11 a.m. to 10 p.m. Saturday, it will be open 12 noon until 10 p.m., and Sunday 12 until 9.m. The restaurant will be closed on holidays. "It's the only time for our families to get together," she said.

Owner Magana wants everyone to know that the food at Maria's Mexican Restaurant will be "authentically Mexican." She explained. "We try to use a little bit more of the spices and seasonings to make it more authentic. Some 'Mexican' restaurants Americanize their food. We don't."

EVERY ACRE

continued from page 2

the older bigger bucks to do the breeding - see myth 1. Also, if we shoot all 1.5-year old that aren't 6 points or better, the herd will be better overall quality. The facts are in a free ranging herd we cannot control the breeding value of the doe (who gets at least a 50% vote in genetics) or which buck breed her and we cannot know why the 1.5 year spike is not a 6 point. Additionally, we

may see a "cull buck" after a traumatic event he experienced (hit by a car) or bad nutrition year which will affect his antler grow the following season or maybe for two years. If we remove that "cull" buck then we never allow him to express his maximum potential. A Texas study did heavy culling on a large piece of private land for 7 years and they found it had zero affect on the genetic makeup of the herd. They did manage to wipe out several year groups of bucks and caused a major age structure issue that took another 5 years to recover from.

The "So What" of this information lie in within our control - if the keys to improving our whitetail quality are nutrition and age, then we need to improve those areas of our property. Nutrition can come in the form of food plots or native habitat browse and removing mouths from the kitchen (shoot does for example). For the age structure part of the puzzle, it is all in the finger - shoot or don't shoot those 1.5 and 2.5 year old bucks - then they will make it to 3.5 and beyond.

Learn how to age your deer on the hoof and learn how to increase the food available to your deer herd. Remember **Every Acre Counts!**

MSU Deer Lab is a great place to learn about whitetail deer and we will discuss some of their research in the coming weeks. (<https://www.msudeer.msstate.edu/index.php>)

To conclude this week on a happy note, I want to wish my wonderful mom, Ethel Mae Boggs, a very happy ninety-first birthday. She and dad were at our home Sunday afternoon to celebrate the milestone event and enjoy Jean's delicious food with the company of our kids, grandkids, my brother Bruce, his wife, and nephew Jake. A special lady to all who know and love her, mom is truly a blessing to our family. I am so blessed to still have both my parents in their 90s.

The United States hath sinned

When God was talking to Joshua in Joshua chapter 7 about the sins of Israel my mind wondered to the United States of America, could the same be said of this Country that we live in? Joshua could not win the battles against the other nations and he could not understand why so he besought the Lord about.

6 And Joshua rent his clothes, and fell to the earth upon his face before the ark of the LORD until the eventide, he and the elders of Israel, and put dust upon their heads. 7 And Joshua said. Alas, O Lord GOD, wherefore hast thou at all brought this people over Jordan, to deliver us into the hand of the Amorites, to destroy us? would to God we had been content, and dwelt on the other side Jordan! 8 O Lord, what shall I say, when Israel turneth their backs before their enemies! 9 For the Canaanites and all the inhabitants of the land shall hear of it, and shall environ us round, and cut off our name from the earth: and what wilt thou do unto thy great name?

JOSHUA'S RESPONSE

Josh 7:6-9

6 And Joshua rent his clothes, and fell to the earth upon his face before the ark of the LORD until the eventide, he and the elders of Israel, and put dust upon their heads. 7 And Joshua said, Alas, O Lord GOD, wherefore hast thou at all brought this people over Jordan, to deliver us into the hand of the Amorites, to destroy us? would to God we had been content, and dwelt on the other side Jordan! 8 O Lord, what shall I say, when Israel turneth their backs before their enemies! 9 For the Canaanites and all the inhabitants of the land shall hear of it, and shall environ us round, and cut off our name from the earth: and what wilt thou do unto thy great name?

GOD'S RESPONSE

Josh 7:10-12

10 But the Lord said to Joshua, "Get up off your face! Israel has sinned and disobeyed my commandment and has taken loot when I said it was not to be taken; and they have not only taken it, they have lied about it and have hidden it among their belongings. 12 That is why the people of Israel are being defeated. That is why your men are running from their enemies-for they are cursed. I will not stay with you any longer unless you completely rid yourselves of this sin. God said that there was sin in the camp of Israel, Israel's spiritual condition was compromised, they would be defeated in their efforts and their hearts, spirits and faith melted and became like water.

God gave him Joshua the cure

Josh 7:13-15

13 Up, sanctify the people, and say, Sanctify yourselves against to morrow: for thus saith the LORD God of Israel, There is an accursed thing in the midst of thee, O Israel: thou canst not stand before thine enemies, until ye take away the accursed thing from among you. 14 In the morning therefore ye shall be brought according to your tribes, and it shall be, that the tribe which the LORD taketh shall come according to the families thereof, and the family which LORD shall take shall come by households, and the household which the LORD shall take shall come man by man. 15 And it shall be, that he that is taken with the accursed thing shall be burnt with fire, he and all that he hath: because he hath transgressed the covenant of the LORD, and because he hath wrought folly in Israel

Josh 7:20-21

20 And Achan answered Joshua, and said, Indeed I have sinned against the LORD God of Israel, and thus and thus have I done: 21 When I saw among the spoils a goodly Babylonish garment, and two hundred shekels of silver, and a wedge of gold of fifty shekels weight, then I coveted them, and took them; and, behold, they are hid in the earth in the midst of my tent, and the silver under it

Josh 7:25-26

25 And Joshua said, Why hast thou troubled us? the LORD shall trouble thee this day. And all Israel stoned him with stones, and burned them with fire, after they had stoned them with stones. 26 And they raised over him a great heap of stones unto this day. So the LORD turned from the fierceness of his anger. Wherefore the name of that place was called, The valley of Achor, unto this day.

Could it be that maybe this country is departing from the living God like Israel of old?

Maybe that is why we are not prospering as a nation.

1 John 2:15-17

15 Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. 16 For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. 17 And the world passeth away, and the lust thereof: but he that doth the will of God abideth for ever.

2 Chron 7:14

14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land

COUNTY STORIES

More Snake Stories

My friend, Susie Cook, that lives up Tague Rd. in Braxton County, calls me every week to see how we are doing and to let me know what is going on at their place. This past week she had more snake stories. A big black snake had been in her chicken house and had eaten several eggs. Her son put on a pair of gloves, grabbed it by the tail and relocated it. I guess he didn't take it far enough because it came back and they caught it in the cage with baby chicks. It had already eaten one. They noticed that one was missing and there was a bulge in the snake's body. That did it! "Good bye snake." Like I told her, we can't have critters coming and eating our food up. She said it had somehow worked it's way through the

holes of that wire cage. She was surprised that it had done that. My husband was telling me a story that he heard when he was growing up, about a black snake that got in a hen house where there were boards between nests to divide them, and the snake got stuck in a knot hole. That snake had swallowed one egg and got it's head through the hole as far as it could go. There was a nest with eggs on the other side of that knot hole. The snake ate another egg and couldn't go anywhere. It had an egg in it's body stopping it on one side of the hole and another egg on through the hole. It couldn't go forwards or backwards. When they went to gather the eggs they found it like that. I found this sto-

ry that I had started and decided to add the latest. Hubby almost stepped on a big black snake this past week. He was out around the Gardener's Shed and there was a snake on the ground. He said he didn't know which was scared the worst, him or the snake. It wasted no time in crawling to safety under that shed. I think it has been under our house. I have been hearing thumpin sounds under the floor. There was one under there last summer. It crawled out into the back yard and our big dog was barking at it. We were afraid he was going to get bit so hubby got a big stick, scooped it up, and quickly carried it to the creek bank. He flung it out into the creek and it swam to the other side and up the bank. We didn't see anymore of it. I have heard that black snakes are your friend. They will even fight off a copperhead or rattler. I saw a picture on Facebook of a black snake eating a copperhead. I never would have believed it if I hadn't seen it. Enough about snakes, we have had a couple of nice days to enjoy. June was always my favorite spring month to look forward to. Until next time, get out and enjoy the outdoors. Take care and God bless!

PAT'S CHAT

By: PAT RIDPATH

The tragic news that we have witnessed on TV news recently has brought tears to my eyes and to many of us as we struggle to take it all in and pray for the ones unthinkably tortured by what is happening to them. I just cannot imagine the depth of sorrow so many are feeling! I think we can all benefit from reading the article on "How to Have Peace" that Jeanette Riffle wrote in her column for last week's papers. She actually tells us how we can find peace even at times as horrible as now with the shootings and all.

Sherry, Sheri, Kim and Lanetta.

And in spite of this, we have enjoyed the lovely spring days, bright blue skies, fluffy white clouds, new green leaves reaching up to the sky, the active birds and small animals scurrying around. Matthew 24 tells us that things will get pretty nasty just before Jesus returns to reclaim all His people from their battered home on this Earth. We can look forward to when Jesus recreates our earth back into the beautiful place He first created it to be. Read Revelation 21:1-5. Don't despair, don't give up, don't ever be afraid because God is in control and He keeps His promises.

You must have heard that we Adventists are trying to get together every first Saturday evening of each month for a social gathering to which all of you are invited, to get to know each other better, especially the newer folks. We meet at the church at 6:30 p.m. to enjoy a devotional study and prayer, then the activities committee has planned special food and games for the evening. Tonite's was a Beach Bash. In one of the pictures below, you will find a painting by one of our new people, Mykayla Stadler, who placed it close to the food table to announce the Tiki Bar. Another picture shows Mykayla's grandmother and Todd holding the bar for Limbo as the children line up for their turn. Ava, Gabby, Gwen and Pastor Daniel last of all. Another photo shows Sherry, Sheri, Kim and Lanetta. We will look forward to the social for the first Saturday night in July. Maranatha

"The Journey"
It is called "The Journey" of Hope and Restoration, these studies are through the "Living Free" program curriculum. These studies are done in a small group setting that meets each Monday at 6:00 pm. The lesson that we are currently studying is "Coping with Losses of Life". This is a biblically-based study and everyone is welcome to participate. We serve food at 5:30 PM each Monday at 602 Elk Street, Gasaway, WV. We have many areas that we are able to minister to others as well such as the areas of destructive behaviors, harmful emotions, negative attitudes, unhealthy relationships, and substance abuse. To register or if you have questions you can call Pastor Eric Veltre at 304-689-0000.

John Battin, MD, Urologist, joining Mon Health Stonewall Jackson Memorial Hospital medical staff

Dr. John A. Battin, Urologist, will begin seeing patients at Mon Health Stonewall Jackson Memorial Hospital beginning in July. Dr. Battin and Megan McKown, Physician Assistant, will be located at the Stonewall Urology office on the ground floor of the Hospital.

"We understand the importance of offering Urological care in rural WV and are happy to continue offering this service at Stonewall Jackson Memorial Hospital," said Dr. Battin.

The office will provide services for enlarged prostate, prostate cancer, kidney stones, kidney cancer, overactive bladder, urinary incontinence, and vasectomy services.

Dr. Battin also currently practices at Mon Health Medical Center in Morgantown. He received his medical degree from University of Pittsburgh School of Medicine and did his residency at West Virginia University

School of Medicine. He is board certified in urology and was named a top regional doctor in 2014. He has been in practice for more than 20 years.

McKown graduated from the Marietta Col-

lege Physician Assistant Program in June 2019 and has been practicing with Dr. Battin since October 2019.

Introducing Kids Market at the store for Braxton County kids

Want free fruits and vegetables this summer?

Kids in select West Virginia counties will have a chance to "shop" for local produce at participating local stores - for free.

This program is free and open to any child ages two through seventeen who parents fill

out the sign-up survey. Participating stores will feature a variety of local produce for children to choose from. Each family will receive \$30 in free produce, as well as an opportunity to participate in free nutrition education.

Each child will receive a reusable shop-

ping bag and a passport. Children will present this passport at the store and receive a sticker with each purchase. At the end of the program, they will be able to mail in their sticker filled passports for WVU branded prizes.

Including a 1999 Bell Manufactured Home, Vehicle Identification Number GBHMM52051, affixed to and part of the above described real estate.
TERMS OF SALE
The Real Property will be sold for cash in hand on the date of sale, or under any different, other, or additional sale terms as the Successor Trustee, in his or her reasonable discretion, determines to be appropriate or advisable. The sale shall be further subject to the following:
1. Real estate taxes delinquent, due or payable or to become due and payable, all of which shall be the responsibility of the purchaser;
2. Any statutory lien or liens that may affect the subject property;
3. All covenants, conditions, restrictions, reservations, easements and rights-of-way appearing of record in the chain of title to the property, or which may be visible from a physical inspection of the subject property;
4. All liens and encumbrances of any nature whatsoever, including, without limitation, liens for real estate taxes, incinerator, sanitary and sewer charges, having priority over the deeds of trust referred to herein.
5. The purchaser at the sale shall be responsible for paying the costs of recording the Successor Trustee's Deed and the tax imposed by the State of West Virginia on the privilege of transferring real property (the cost of the tax stamps to be affixed to the Deed).
6. All of the property to be sold will be sold "AS IS, WHERE IS" in the present condition and with all faults and defects, if any, and without any warranty or representation, express or implied. The Successor Trustee shall be under no duty to cause any existing tenant or person occupying the Real Property to vacate said property. The Successor Trustee will deliver a trustee's deed to the purchaser without any covenant or warranty (express or implied) in the form prescribed by W. Va. Code § 38-1-6. The Successor Trustee makes no representations and warranties about the title to the real estate to be conveyed. If the Successor Trustee is unable to convey insurable or marketable title to the purchaser for any reason, purchaser's sole remedy is return of deposit.
7. In the event that there are federal tax liens against the property, the United States would have the right to redeem the property within a period of 120 days from the date of such sale or the period allowable for redemption under local law, whichever is longer.
8. The undersigned Successor Trustee expressly reserves the right to reject any and all bids, and the right to adjourn the sale from time to time without notice other than oral proclamation at the time and place appointed for the sale. Such adjournment may be for a period of time deemed expedient by the beneficial owner and shall not be construed to be a waiver of the right to make the sale contemplated by this Notice.
9. The beneficiary of the Deeds of Trust and holder of the Note thereby secured reserves the right to submit a bid for the Real Property at the sale, which bid may be in the form of a credit bid.
10. The successful bidder will be required to execute a memorandum of sale upon the acceptance of the successful bid by the Successor Trustee.
11. The sale is subject to post-sale confirmation that none of the grantors filed for bankruptcy protection before the conclusion of bidding, in which case the sale will be null and void and the purchaser's sole remedy, at law or in equity, will be return of deposit without interest.
12. The trustee's sale shall be open to online bidders.
13. A 10% buyer's premium will be added to the high bid for the Real Property. The high bidder shall pay the buyer's premium plus an additional 10% of its bid on the day of the sale (the "Good Faith Deposit"), with the balance to be paid in cash at closing within 14 days after the date of sale. Additional terms of sale may be announced prior to the sale. Any inquiries regarding this sale may be directed to Zachary J. Rosencrance, Successor Trustee, 600 Quarrier Street, Charleston, West Virginia 25301, telephone (304) 347 1100.
DATED: June 3, 2022.

NOTICE TO MON POWER CUSTOMERS WITH RIGHTS-OF-WAY ACROSS THEIR PROPERTY

Mon Power has contracted to maintain portions of its rights-of-way with an aerial saw consisting of approximately ten 24-inch rotary blades powered by a motor and suspended on a vertical boom beneath a helicopter. This maintenance method allows for the quick, safe, and efficient trimming of trees along our transmission lines. The aerial saw will be operating April through October 2022 in the following counties in West Virginia:

Braxton, Lewis and Upshur Counties – (TMU-52 French Creek-Sutton, 138 kV)

Beginning in Upshur County north of CR 22 Gladly Fork Rd at structure 35, the line runs southwest crossing Gladly Fork Rd, CR 30 Abbott Rd, CR 32 Slab Camp Rd, CR 20/11 Beechtown Rd, CR 11/3 Old Mill Rd, CR 11 Frenchton Rd, CR 11/2 Centerville Rd, CR 35/5 Whites Camp, SR 4 Ireland-Rock Cave, and CR 20/14 Heaston Ridge Rd. The line continues southwesterly into Lewis County crossing CR 52/1, CR 52 Gladly Creek Rd, CR 50 Wildcat Rd, and CR 50/1 Falls Run Rd. Continuing southwesterly into Braxton County the line crosses Claypoole Hollow, CR 19/4 Falls Run Rd, Horseshoe Falls Rd, CR 24 Pleasant Hill Rd, CR 24/1 Lake Lane Rd, the Little Kanawha River, CR 24/1 Lake Lane Rd, CR 22/4 Bear Garden Rd, Corley-Caress Rd and CR 19/18 Berry Fork Rd. The line then taps to the northwest crossing CR 19/20 Stone Run Rd, Cowger Hill, US Rt 19 & SR 4, and ending at the Heaters Substation off of CR 19/19 Cloat Rd. From the tap structure the main line continues southwesterly crossing CR 19/21 Ross Fork Rd, CR 19/23 Dyer Hill Rd, CR 15 Airport Rd and terminates at the Sutton Substation off of CR 15.

On March 11, 2022, pursuant to W.Va. Code § 24-2-12, Hope Gas, Inc., dba Dominion Energy West Virginia (Hope) and Hope Gas Holdings, LLC (HGH) (collectively Petitioners) filed a Joint Petition for Consent and Approval (Petition) for HGH to acquire all of the issued and outstanding capital stock of Hope from Dominion Energy, Inc. (Dominion). HGH is a Delaware limited liability company that is wholly owned by Hearststone Holdings, Inc. (Hearststone). Through separately owned holding companies, Hearststone distributes natural gas to approximately 84,900 customers in Indiana, Maine, Montana, North Carolina and Ohio and water to about 11,400 customers in Arizona and Michigan. Petitioners assert that, while the transaction will result in a new corporate owner of Hope, the employees and local leadership of Hope involved in the day-

to-day operations of Hope will remain with Hope. Thus, the existing, day-to-day operational expertise of Hope will remain intact. The Joint Petition is on file with and available for public inspection at the Commission, 201 Brooks Street, in Charleston, West Virginia, and is available online at the Commission website (www.psc.state.wv.us). The Commission schedules this matter for evidentiary hearing to be held on August 23, 2022, at 9:30 a.m. and continuing on August 24, 2022, if necessary, in the Howard M. Cunningham Hearing Room, Public Service Commission Building, 201 Brooks Street, Charleston, West Virginia. The Commission may determine, in light of the COVID-19 situation, that the scheduled hearing will be conducted virtually, with the parties to the case appearing online. Interested persons should be able to view the evidentiary hearing via an internet livestream. The Commission website, www.psc.state.wv.us, contains links to "Case Information," "Submit a Comment," and "Commission Webcast." A public comment hearing will

be held at the Harrison County Courthouse, Courtroom No. 2, 301 West Main Street, Clarksburg, West Virginia, on August 1, 2022, beginning at 5:30 p.m. Anyone desiring to intervene should file a written petition to intervene no later than 4:00 p.m., June 30, 2022. Failure to timely intervene may affect your right to participate in the proceeding. All requests to intervene should briefly state the reason for the request to intervene and comply with the rules on intervention set forth in the Commission's Rules of Practice and Procedure. The Commission will receive public comments and protests until the beginning of the hearing. All written comments, protests and requests to intervene should state the case name and number and be addressed to Karen Buckley, Executive Secretary, P.O. Box 812, Charleston, West Virginia 25323. Public comments may also be filed online at <http://www.psc.state.wv.us/scripts/onlinecomments/default.cfm> by clicking the "Formal Case" link. Frametown Girls Scout Troop #38217

Frametown Girl Scout Troop #38217 win first place at the YDEP AWARDS for Mountain Laurel Award

After two consecutive years of cancellations because of the pandemic, Youth Environmental Day returned in-person to North Bend State Park on May 21. Hundreds of YEP members and their families enjoyed a warm, sunny day that included an awards ceremony, lunch and other activities. The YEP awarded groups and individuals more than \$15,000 in cash prizes for their outstanding work in environmental and conservation projects. The first Youth Environmental Day was conducted on May 16, 1964, at Holly River State Park. Today, the event is celebrated annually at North Bend State Park, the third Saturday in May. Hun-

dreds of participants annually attend. Special guests included the governor, the DEP cabinet secretary, representatives from several award sponsors and dignitaries. Many exhibits were featured, including the WV Division of Forestry, West Virginia State Parks, Raptor Rehabilitation, REAP, West Virginia Division of Natural Resources Law Enforcement featuring Eddie Eagle and Robo Deer, and many more. Frametown Girls Scout Troop #38217 won first place for the Mountain Laurel Category Environmental Awards. Mountain Laurel Category recognizes youth groups that have completed proj-

ects addressing an environmental need, whose members are ages 6-11. Frametown Girl Scout Troop won five hundred dollars. During this past year, YEP groups worked over 20,000 hours to recycle more than 13,000 pounds of aluminum, 39,000 pounds of plastic, 51,000 pounds of steel and 49,000 pounds of paper. They also planted 1,034 trees, more than 1,500 flowers and cleaned up 75 miles of roadways, in addition to community areas and streams. Groups collected 255 bags of trash. Congratulations Frametown Girls Scout Troop #38217 for your accomplishments.

Mountaineer Food Bank hosts upcoming Braxton County Mobile Food Pantry

Mobile Pantries provide food to "food deserts" where food accessibility is limited and/or scarce. Fresh, healthy food tends to have a short shelf life. To make sure food gets to our clients as quickly and fresh as possible, they are transported to selected locations and distributed by Mountaineer Food Bank. Mobile Pantries can provide a variety of fresh fruits, vegetables, dairy products, and baked goods to people in need. Hosted by churches, schools, and community centers, a Mobile Pantry can feed between 100 and 1,000 households. Dates for Braxton County residents

The Braxton County Mobile Food Pantry will be at Holly Gray Park on Tuesday, June 7th. are as follows from 12, 2022, October 4, 11:00 AM to 1:00 PM 2022 and December 6, 2022. Dates are subject to change.

KITTY KORNER:

Affordable, Adoptable, Fixed Feline Friends

Just One Generation cat rescue was started in 2013 in response to the severe feline overpopulation in this area.

Our initial emphasis was on the Trap, Neuter, and Release (TNR) of feral cats as well as to facilitate the spay/neuter of domestic cats.

Adoption of ownerless cats and kittens came later, as was incorporated with the program because there was no place else for these animals to go.

But, due to previously made travel plans and family commitments, Just One Generation will NOT be available to take in new animals or to adopt cats and kittens during the months of June, July, and August 2022.

Our spay/neuter assistance program will continue during this time. If you have thoughtfully considered pet ownership, NOW may be the time to add a feline friend to your family.

Our program currently has multiple healthy, social cats and kittens that are available for a modest adoption fee, that includes immunizations, deworming, flea protection, as well as spay/neuter and rabies vaccine when the kittens are four months old.

Featured today are several kittens waiting for homes of their own. This will be a last chance to adopt from this group, as any listed that do not find local homes by June 5 will be sent to an out-of-state rescue for placement.

Until they leave, our usual adoption fee has been reduced to \$40 each of two for \$65, which includes the spay/neuter/rabies vaccine at Central WV Animal Hospital in Gasaway when they are four months old.

Additional photos can be seen on petfinder.com by entering a search for CATS at location 26623 or on the Just One Generation Facebook page.

Wine family thank you

Perhaps you sent a lovely card, or sat quietly in a chair.

Perhaps you sent a floral piece, if so we saw it there.

Perhaps you spoke the kindest words as any friend could say;

Perhaps you were not there at all, just thought of us that day.

Whatever you did to console our hearts, we thank you so much whatever the part.

Thank you form the family of James Lee Wine.

Dog Tales: Stories from the Braxton County Animal Shelter

Are you looking to add a four legged, tail wagging member to your family? Rescues from the Braxton County Animal Shelter are looking for their final "Furever" homes and are anxious to meet you.

There is a reason we call them man's best friend. We can learn so many things from a dog's behavior, personality, demeanor, resiliency, and most importantly, the willingness to provide their family members with unconditional love, loyalty, and companionship down to their very last breath. BCAS is open Monday through Friday from 10-3.

There is no charge to surrender a dog, but donations toward their care are appreciated. Adoptions are \$99.00 for male dogs and \$119.00 for female dogs, and include spay/neuter, rabies vaccination, parvo/distemper vaccination, kennel cough vaccination, flea treatment and deworming. No dog will leave the shelter unfixated and we are very willing to work with reputable 501c3 rescues.

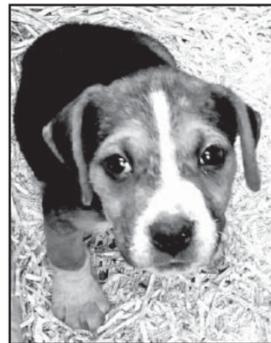

Please call the shelter for vet pricing and ask for our adoption/rescue coordinator Megan at (304)765-2200

It's a Beagle Palooza here at the Braxton

County Animal Shelter! If you're looking for a beagle to make a new member of your family, young or old, we've got wonderful beagle personalities here for you to meet!

Jade is a two year old spayed female who was caught as a stray and surrendered to the BCAS so we don't have any history on this sweet girl. She's a gentle, affectionate pup, who will play and snuggle. She's dog friendly and a very go with the flow personality. Jade also walks great on a leash.

Jerry Lee is a eight

week old male beagle mix who found stray on a backroad and picked up by a kind citizen. Jerry came in with intestinal parasites and a terrible skin infection that was causing hair loss. He have since been treated by our veterinarian and are receiving antibiotics and baths to help their skin. His hair is starting to grow back in and he is gaining in health daily.

Lewis is a one year old male beagle who came to the BCAS as a stray so there's no history on him. We know that he walks on a leash and is very dog friendly. Lewis was skittish when he first came into the shelter but is warming up to everyone nicely and loves all the pets he can get.

THIS WEEK IN WEST VIRGINIA HISTORY

The following events happened on these dates in West Virginia history. To read more, go to e-WV: The West Virginia Encyclopedia at www.wvencyclopedia.org.

June 8, 1893: Entrepreneur Donald F. Duncan was born. Duncan was the founder of the Duncan Yo-Yo Company and the Duncan Parking Meter Corporation.

June 9, 1927: Karl Dewey Myers was named the state's first poet laureate by Governor Howard Mason Gore. Myers held the post for 10 years.

June 9, 1957: T.D. Jakes was born in South Charleston. As a boy, he preached to imaginary congregations and carried a Bible to school, which earned him the nickname "Bible Boy." He is the senior pastor at the Potter's House, a nondenominational church in Dallas, Texas.

June 10, 1775: The Berkeley County Riflemen were organized by Capt. Hugh Stephenson of Shepherdstown, in response to a call for Revolutionary War soldiers by Gen. George Washington.

June 10, 1921: Labor leader Daniel Vincent Maroney was born on Cabin Creek, Kanawha County. Maroney served as the in-

ternational president of the Amalgamated Transit Union from 1973 to 1981.

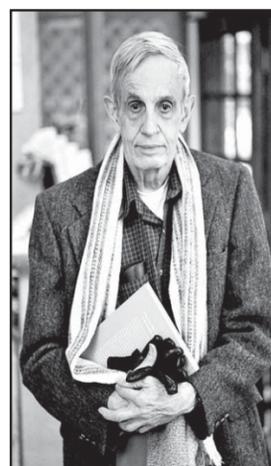

June 11, 1866: Architect Elmer Forrest Jacobs was born in Preston County. His work is seen particularly in downtown Morgantown, in residential South Park, and on the West Virginia University campus. Most of his Morgantown buildings are now on the National Register of Historic Places.

June 11, 1782: Frontiersman William Crawford was tortured and burned at the stake. Crawford had been captured by the Delaware, who mistakenly blamed him for the treacherous murder of about 100 Moravian Christian Indians.

June 12, 2006: Robert C. Byrd became the longest-serving United States senator in history. He served in the Senate from his election in 1958 until his death in 2010. This record was broken on June 7, 2013, by Congressman John Dingell, a Democrat from Michigan.

June 13, 1861: The Second Wheeling Convention began in the federal courtroom of the Wheeling Custom House. This convention declared the Confederate state government in Richmond illegal; created a Reorganized Government of Virginia loyal to the United States; elected Francis Harrison Pierpont governor of Virginia; and called for the western counties to be formed into a new state.

June 13, 1928: Mathematician John Forbes Nash Jr. was born in Bluefield. In 1994, Nash was honored with the Nobel Prize in Economics. He was the subject of a best-selling biography, "A Beautiful

Mind," which was later made into a movie. June 14, 1912: Botanist Elizabeth Ann "Betty" Bartholomew was born in Wheeling. Bartholomew was instrumental in building the dried plant collection at West Virginia University from 30,000 to 140,000 specimens, and she initiated a 2,000-plant seed collection.

Youth Storytelling Summer Camp coming to Glenville State University

Glenville State University is partnering with the West Virginia Storytelling Guild to present a week-long workshop entitled "Come Spin a Tale!" The workshop is open to incoming 9th-12th grade students as well as new high school graduates. It will take place Monday, July 18 - Friday, July 22 on the Glenville State University campus.

Students will attend performances by Adam Booth and Bil Lepp, and attend workshops from Booth and Lepp along with fellow legendary storytellers Karen Vuran, Bill Hairston, Judi Tarowsky, Jamie Fromel, Mike Perry, and Kevin Cordi. Campers will be given instruction in establishing stories

and developing characters, getting and keeping an audience's attention, drawing from personal narratives, developing improvisational skills, using body language and inflection, telling tall tales, and more. Tuition for the camp is \$100 and includes meals and lodging on the Glenville State campus.

"One of the goals of the West Virginia Storytelling Guild has always been to keep storytelling in the mountains a part of our folk culture. When I was offered the chance for Glenville and the Guild to offer a week of youth storytelling, it was a dream come true," said Jo Ann Dadisman of the West Virginia Storytelling Guild. She serves as co-director of the

workshop.

"I was exposed to storytelling at an early age because it goes hand-in-hand with the traditional music I've played for most of my life. Storytelling is a significant part of our culture and our oral tradition, but there's so much more to it. The techniques that storytellers use to connect with an audience can be applied to any situation in which a speaker needs to connect with a group," said Dr. David O'Dell, Glenville State University Professor of Chemistry and workshop co-director.

Bulltown Historic Area celebrates National Trails Day during 2022 Annual Park Day

The Bulltown Historic Area celebrated National Trails Day on Saturday, June 4, by participating in our Annual Park Day!

Park Day is sponsored by the American Battlefield Trust and is a day volunteers gather together on a battlefield area and

help clean it up to preserve history.

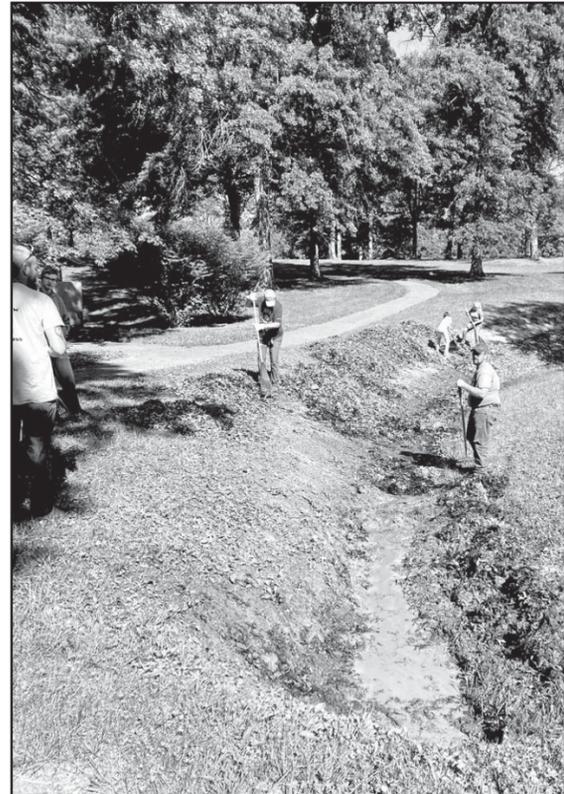

We would like to thank all the volunteers that came out today and the Bulltown

Historical Association for providing lunch.

If you would like to volunteer to help preserve history, volunteer to give tours

and/or participate in this years Civil War Re-enactment, please contact the project lake office at 304-853-2371 ext 0.

We also have a couple more spots for volunteers to camp this summer and help out at the Bulltown Historic Area!

Working together, each task was completed one at a time as volunteers celebrated National Trails Day.

Volunteers worked hard to clear ditches.

Through hard work and dedication to finish the project, the battlefield area is ready for this years Civil War Re-enactment.

BCMS Knights invited to attend Cross Country Training Days

Coach Robert Lloyd would like to invite anyone interested in running cross country to come out for three weeks in June to train. This Cross Country Training Days event will give us a great jump on the regular season.

The last two seasons BCMS has had some success winning Conference Championships back to back seasons on the girls side.

This training period is also open to anyone that wants to train or get in shape for their primary sport

Cross Country Training Days will be held July 11th through 29th at Holly Gray Park Monday through Thursday from 5:00 P.M. to 7:00 P.M.. Join in on Fridays around 9:00 P.M. for

Cross Country Training Days start on July 11th, join today!
