Big project...

After spending most of last week in the air-conditioning, I was pleased with the temperature change for the weekend. In January I ordered a 3rd pontoon for our houseboat due to the fact that is sat about 10 or 11 inches lower in the rear. I believe I touched on this project in one of my previous writing... The first problem was it was delayed due to the workforce shortage, and I wasn't able to put it under the boat before the start of the Summer season like I had hoped.

Also as previously mentioned, we finally retrieved the new floatation a few weeks ago. There has been a lot of preparation to get ready, but Saturday was the not fans of grass. In fact, fine to hunt in - while During the darkest and those were the last big day. Bob brought his truck from Spencer so early Saturday morning we pulled the boat out of the water and began the task.

I have measured and remeasured to make sure everything will fit. I had to modify the trailer some to accommodate the fact that the new pontoon was about 3 inches deeper than the existing two. We had to buy support material to attach the pontoon to the underneath of the boat. All of that came together last week and ended with Jamie and I drilling the 40' of steel angle I had purchased to match the inserts in the pontoon.

My crew, which consisted of Bob and Donnie Smith, Doug Martin, son Jamie, grandson-in-law Shane and Joe Wyne got right to work. I must admit that I wasn't much help. A goffer at best and not a very good one at that. Though I did provide lunch which helped a little.

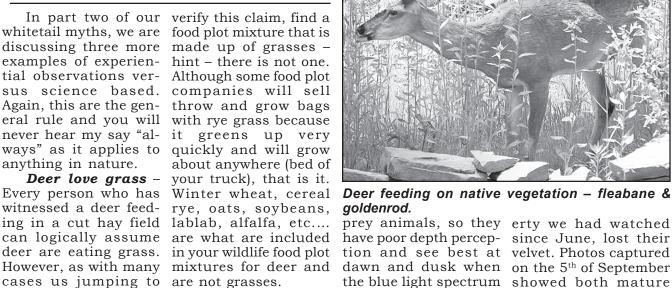

Since this was new to us... it took a little engineering. The guys came up with a plan and before I knew it the first 10' section was in place. The second followed and we were buttoning it up not long after lunch. I must admit that it went much better than anticipated.

About 1:30 we dunked the boat back in the water and I was pleasantly surprised that the boat floated exactly where I had hoped. In my world, its not often that any project goes as planned, but this one was the exception. Not only was the installation less of a headache than I had anticipated, the end result was better than expected. Its an old boat so there are still lots of things that I need to do. However, she is floated better than before, and I am pleased with the results. I certainly couldn't have done it without my helpers. I owe all of them a big debt of gratitude for their hard work.

West Virginians have a unique way of discovering others with West Virginia residency or roots, no matter where you may work or travel around the nation or world. And, with a minimal amount of conversation, we always find a common bond with friends, neighbors, or communities.

We need to always remember that whether by birth or choice – if you live here now, relocated here from another state for work or school, or moved away to pursue your career, you are now and will always remain West Virginians.

Another unique and special West Virginia academic tradition is for eighth-grade students in West Virginia to work toward earning recognition

from the WV Department of Education as a knight or lady of the Golden Horseshoe. For 2002, the recipients of the Golden Horseshoe from Gilmer County and Braxton County are:

Coleden Perry Gilmer Co. High School Anna Mason Gilmer Co. High School Joel Sigman Braxton Co. Middle School Alexis Knowlton Braxton Co. Middle School Adyson Conant Braxton Co. Middle School

This special ceremony is held annually in the WV Culture Center on the Capitol campus, with each recipient dubbed with the ceremonial sword by Dr. Clayton Birch, WV Superintendent of Schools. I am proud of each of these students who worked hard for the last four years in their knowledge of all aspects of West Virginia culture, history, geography, social and economic factors, state government and miscellaneous data.

The WV Dept. of Education website provides this overview:

This prestigious program takes its name from the golden horseshoes given to the early explorers of West Virginia. In 1716 the Governor of the Virginia colony, Alexander Spotswood, saw the need for exploration of the land west of the Allegheny Mountains, most of which is now West Virginia. The governor organized a party of about 50 men, all of whom adopted the pledge, "Sic jurat transcendere monte,' which means "Thus he swears to cross the mountains." Governor Spotswood presented each member of his party with a small golden horseshoe to commemorate the bravery of those who crossed the mountains into Western Virginia, beginning the Golden Horseshoe tradition.

Also, each year a few West Virginians are awarded an honorary Golden Horseshoe. This year, I was honored to receive the award. I appreciate the honor of attending the ceremony to present the Golden Horseshoe to our local students. Congratulations to all the 221 recipients from across West Virginia and thank you to those who nominated me for the honorary award.

One of the highlights of the summer is always the WV Folk Festival in Glenville. After days of brutal heat and humidity

last week, last weekend offered outstanding weather and a great day for a parade, great music, arts and crafts from talented artists, and outstanding local food in downtown Glenville.

GSU President Mark Manchin, Speaker Roger Hanshaw and I enjoyed lunch on Saturday in the GSU Mollohan Center for the WV Folk Festival Belles and Junior Belles, where we presented them with tokens of appreciation for their participation in the event. Congratulations to Gilmer County Belle Linda Fisher Brannon; Braxton County Belle Patricia Drake; Gilmer County Jr. Belle Eliza Chesser; and all the Belles and Jr. Belles from around the State. Jean and I had a great time visiting with them; folks all along the parade route, and around town visiting with friends from throughout central West Virginia.

My hearty congratulations to the WV Folk Festival's officers, Board of Directors and the many volunteers that make it a huge success each year. I'm very proud and appreciative of the privilege of representing Gilmer and Braxton Counties in the Legislature.

Next week, I look forward to seeing everyone at Gassaway Days.

continued from page 1

first efforts did not go very well, he noted. Here he reiterated that he still hadn't learned the importance of technique. As he continued to practice and learned the proper technique, he became confident, and on April 2, 2022, he qualified for the national competition.

Hyre explained the procedure for the competitions. "First, we have to weigh in to determine how much we have to lift. The requirement is half of our body weight. Because I'm adapted, I have to lift only half of that amount," he said.

To qualify for nationals, lifters must reach a certain total based on age and weight. Dr. Fairley explained, "It doesn't matter if you hit it at one competition or at several. Lifters have three opportunities to complete each of two moves—snatch and clean-and-jerk.

Dezel Hyre is eager for Saturday's competition, and he feels confident about his chances. His coach, Dr. Fairley, did note that his task of lifting and balancing the barbells with one arm is much more difficult than with two. This young man is ready for that challenge.

COMMISSION

continued from page 1

to be involved in the opportunities that will be created." He requested that the County join their counterparts and cities of the Central West Virginia area in sponsoring the event. Sanders requested that Braxton County tributed \$10,000. President Godwin stated that the Commission would review their budget for later discussions.

Testimony this week revealed that, if passed, the property tax amendment could cost West Virginia's schools and local governments \$515 million - 27 percent of total local property tax revenue in the state. Of that \$515 million, approximately \$340 million funds local school districts, \$138 million funds county government services, \$35 million funds municipal government services, and only \$2 million funds state government. In addition, \$205 million of the \$515 million comes from excess and bond levies that were approved by voters in those counties.

While the proposal has been framed by proponents as "relief for taxpayers from their car tax," over 70 per-cent of the potential tax cuts would go to businesses. The property tax on individual vehicles accounts for less than one-third of the potential tax cuts under the property tax amendment.

Previous attempts by the state legislature to reimburse local governments for the lost revenue from similar proposals would have made West Virginia's tax system more regressive, relying on increased sales taxes - which fall more heavily on low- and middle-income taxpayers – to pay for a tax cut that would largely benefit out-of-state

Gregory Shimko

V

Elizabeth, New Jersey on January 18, 1950 to

parents George and Sophie Wadors Shimko who preceded him in death.

Greg moved to Ireland, WV with his wife, Dorothy, in 1979. He was a self-employed carpenter, a Catholic by faith, President of the Walkersville Fire Department and served on the finance committee at St Thomas Catholic Church. Greg enjoyed sitting on the front porch of his house near the river and enjoyed watching the water. He loved his wife, children and grandchildren and cherished spending time with them. Greg served his country in the United States NAVY.

He is survived by his wife of 50 years, Dorothy Brink Shimko; children: Peter Shimko, Daniel Shimko, Jesse Shimko and Sarah Shimko; grandchildren: Zoe Shimko, Sofia Shimko, Lucas Shimko, Alexander Shimko and Asher Triplett; brothers: Jon (Chick) Shimko, George (Woody) Shimko; sisters: Barbara Shimko Zawoysky and Kathleen Shimko Kaelin.

Visitation will be Besides Jason's held on Tuesday, June 21, 2022 from 4:00-6:00 pm at Stockert Funeral Home & Cremation, Flatwoods, WV. Catholic Mass will be on Wednesday, June 22, 2022 at 11:00 am, a luncheon will follow, at St Thomas Catholic Church, Gassaway, WV with Father Thien Nguyen officiating. Interment will be at

How do you deal with worry?

All of us at one time or another, maybe multiple times worry over things that we can do nothing about. Maybe we worry over the health of someone, or maybe we worry over finances, maybe it is children, maybe it is employment, the list can go on and on and on.

Most of what we worry about never comes to fruition, so we make ourselves miserable over needless worry, but on the other hand I believe we are to be concerned about certain things. So what is the difference between worry and concern? Concern is what you take to God in prayer having the faith in God that he will go to work on your problem, worry is simply the upsetting things that go wrong or we think they could go wrong and we do not seek God's counsel, instead of giving it to God we hang on to it ourselves maybe we think that we don't need to bother God with the things that trouble us or we don't believe that God will take care of the things for you.

Rom 8:28

28 And we know that all things work together for good to them that love God, to them who are the called according to his purpose.

KJV

When we come to the mountain of worry or the dark valley of despair God may tell us that we have to climb the mountain or walk the dark valley because there is something that God wants us to see, primarily it will strengthen our faith or God may remove the obstacles but rest assured God will be with you.

1 Chron 28:20

20 And David said to Solomon his son, Be strong and of good courage, and do it: fear not, nor be dismayed: for the LORD God, even my God, will be with thee; he will not fail thee, nor forsake thee, until thou hast finished all the work for the service of the house of the LORD.

KJV

Heb 13:5

5 Let your conversation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee.

KJV

What is the right way to approach this terrible mountain of worry?

The very first thing that we need to do is define within ourselves what we are worrying about, we need to get it out in the open so we can see it clearly, is it a legitimate concern or is it needless worry, I have known people who think that they cannot exist if they don't= have something to worry about. Sometimes people worry because they don't have anything to worry about. How much misery do we bring to ourselves by acting this way, the God of Heaven does not want his people to be consumed by this terrible thing. God has promised to take care of us because Christian people are his children. We try and assure our own children to have faith in us to know that we are going to take care of them, how much more can God take care of us, after all he did speak the world into existence.

day of each month at

5:00 pm at the library.

Meetings are open to the

Citizens' NEWS

hope to see you there.

St. Thomas Church Sale

The ladies of the St. Thomas Church will hold a multi-family yard sale at 624 Kanawha St. in Gassaway on June 29th and 30th, and July 1st from 10:00-3:00. Lots of items including furniture are available for sale.

..... Steve Warren Service and Gospel Sing

It's that time again. Yes, Steve Warren of Cookeville, TN will be at the Clover Fork Singing Grounds in Orlando, WV on Friday, July 8 at 7:00 pm and Saturday, July 9 at 12:00 noon. Friday night Steve will sing a few of his hits songs and bring a message. Then Saturday will be an afternoon of singing. Just take exit 79 off I-79 in Burnsville and follow the signs to Orlando. There is shelter and plenty of seating, buy you may enjoy sitting in your own lawn chair so feel free to bring it along. No admission charge. Rain or Shine! So come and enjoy an evening and afternoon of fellowship with us. For more information about Steve Warren visit his website at www.stevewarrenministries.com. Contact Willie Shaver at 304-853-2418. See you there!

We have some phenomenal bands and other events already lined up for this year and we need your help. Please call 304-853-2605 or private message the Freedom Festival Facebook page for more details.

"The Journey"

It is called "The Journey" of Hope and Restoration, these studies are through the "Living Free" program curriculum. These studies are done in a small group setting that meets each Monday at 6:00 pm. The lesson that we are currently studying is "Coping with Losses of Life". This is a biblically-based study and everyone is welcome to participate. We serve food at 5:30 PM each Monday at 602 Elk Street, Gassaway, WV. We have many areas that we are able to minister to others as well such as the areas of destructive behaviors, harmful emotions, negative attitudes, unhealthy relationships, and substance abuse. To register or if you have questions you can call Pastor Eric Veltre at 304-689-0000.

•••••• Sutton Public Library Create to Donate

Don't forget that our Create to Donate dropin class has restarted! Luke 12:24-31

24 Consider the ravens: for they neither sow nor reap; which neither have storehouse nor barn: and God feedeth them: how much more are ve better than the fowls? 25 And which of you with taking thought can add to his stature one cubit? 26 If ye then be not able to do that thing which is least, why take ye thought for the rest? 27 Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these. 28 If then God so clothe the grass, which is to day in the field, and to morrow is cast into the oven; how much more will he clothe you, O ye of little faith? 29 And seek not ye what ye shall eat, or what ye shall drink, neither be ve of doubtful

mind. 30 For all these things do the nations of the world seek after: and your Father knoweth that ve have need of these things. 31 But rather seek ye the kingdom of God; and all these things shall be added unto you

KJV

Phil 4:4-7

4 Rejoice in the Lord alway: and again I say, Rejoice. 5 Let your moderation be known unto all men. The Lord is at hand. 6 Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. 7 And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

KJV

In these verses God tell us that he will take care of us, he tells us not to worry and here is how we succeed in accomplishing this very thing. Everything that we face God wants us to tell him about it because he cares about us, then he tells us that we need to be of a thankful attitude. Pray like you know God is going to work on your problem and be thankful to him for what is doing for us this is the acceptable way to ask God for his help, prayer and thankfulness of heart like Moses told the children of Israel

Ex 14:13-14

13 And Moses said unto the people, Fear ye not, stand still, and see the salvation of the LORD, which he will shew to you to day: for the Egyptians whom ye have seen to day, ye shall see them again no more for ever. 14 The LORD shall fight for you, and ye shall hold your peace.

Wash Houses Part 2

about my Grandmother Stewart's wash house and my husband had used until electric came a story for me. He remembers a wash house wash day was ! at the Shock log cabin that was even bigger than Granny's. It had clothes lines to hang the laundry there on rainy days. Laundry was done with a wash board and two wash tubs. There was a fire pit outside to boil water and a dug ing in the wash house well with a stone curb. Buckets of water were drawn up for the galvanized tubs. One for the soapy hot water and one for the cold rinse water. The laundry products The deer was hanging were stored in the wash upside down. The wash

Last week I wrote house as well as clutter that needed a place to go. The wash board was to Shock. What a job

> There was a table to cure meat on and deer were hung in there. There were 6 out buildings. I remember the corn crib, two chicken houses, toilet house and Grandpa Riffle's shack. I remember lookone time and seeing a big buck deer hanging by it's hind legs. There was a rope around it's hind legs and tied to a rafter at the ceiling.

house was torn down in later years ,as well as all the other old buildings, to make room for a big double wide for the Garv Moore family.

We have had a couple of nice cool days this weekend. What a blessed relief from that hot, humid weather that was more like the dog days of summer. I've had a lot of allergy sickness and have been in a lot under the AC. Did anyone see the strawberry moon as they were calling it ? I saw it on FB and it did indeed look pink. Until next time, everyone stay as cool and comfortable as you can. The heat is supposed to come back. Take care and God bless!

PAT'S CHAT BY: PAT RIDPATH

F а ther's Day is today, June 19. 2022. I saw in a recent paper that Father's

Day also began in West Virginia, as did Mother's Day. I hope you will enjoy this poem I wrote long ago. If you remember my dad, I hope you will think of him when vou read this. Many people who grew up in Burnsville, West Virginia, remember him, Harry Wiant, Sr. Many have told me he was their favorite teacher. He was my teacher in 8th grade for some classes. I liked him, too. I used this poem last year, but as I reread it today, it brought me to tears. I miss him so much, and I also miss my brothers and sister who I lost almost all at once, it seemed. First Sonny Oct. 31, 2020, then almost immediately I lost Sammy on December 15, the same year. I didn't really recover from that before the time Mary Ann died a little over a year later, on Mar. 19, 2022.

ΜY LAUGHING DAD

My memory of Daddy as I was but a tot

Is mostly of his joking and how he laughed a lot.

He kept us all in stitches, he'd laugh and giggle so

When he told an oftrepeated joke that we'd already know.

His laughter was contagious as measles in the spring.

How often we were laughing in my "remembering.'

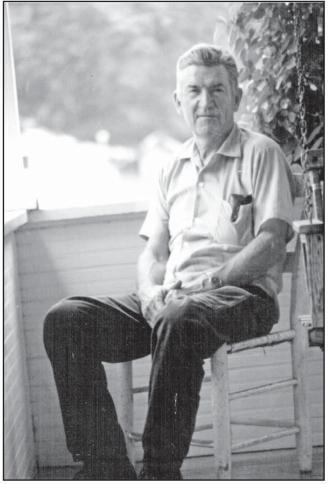

I remember how when he would leave to teach school every day,

He'd kiss us on top our heads to miss oatmeal gone astray.

ty stride as homeward bound he came.

Whistling a merry all his crazy wit. une that called us from

Dog **Stories from the Braxton Tales: County Animal Shelter**

Are you looking to add a four legged, tail wagging member to your family? Rescues from the Braxton County Animal Shelter are looking for their final "Furever" homes and are anxious to meet you.

There is a reason we call them man's best friend. We can learn so many things from a dog's behavior, personality, demeanor, resiliency, and most importantly, the willingness to provide their family members with unconditional love, loyalty, and companionship down to their very last breath. BCAS is open Monday through Friday from 10-3.

There is no charge to surrender a dog, but donations toward their care are appreciated. Adoptions are \$99.00 for male dogs and \$119.00 for female dogs, and include spay/neuter, rabies vaccination, parvo/ distemper vaccination, kennel cough vaccination, flea treatment and deworming. No dog will leave the shelter unfixed and we are very willing to work with reputable 501c3 rescues.

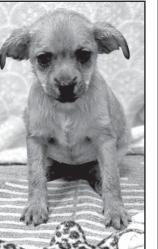

Please call the shelter for vet pricing and ask for our adoption/ rescue coordinator Megan at (304)765-2200

Princess This little female Chi came to the Braxton County Animal believe she is house Shelter with her litter of twelve week old ba- walked on a leash yet, bies because her owners but she is smart and needed help caring for them. She is around six years old and ten and a half pounds. Princess is the sweetest soul and a very good listener because she is eager to please. She responds to almost everything we ask her to do including asking her if she needs to go outside to potty, so we believe she is house trained given the chance to go outside (and will use a puppy pad if she can't). She is a wonderful Momma to her babies and will make an amazing new best friend to someone special. Princess just wants to be beside someone who loves her and soak up all the belly scratches she can get. She seems to love everyone she meets but gravitates to our humane officer ly loves toys and playing so she might be more of a man's dog. This is very sweet and would girl deserves the very best home and we won't companion. settle for less.

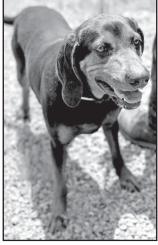

were very timid when they came to the shelter but they are warming up to our staff quickly. These guys have been around children and are very gentle, do not jump up at all. They are also dog social and have been around chickens and rabbits as well. They love a good game of tug with a rope or toy.

Chi mix puppies available for adoption. These are Princess's babies and we have one female and two males. These puppies must be spayed/neutered before they can leave the shelter. They will be adopted in person with an adoption fee deposit by cash or check. The BCAS will work on a first come first serve basis and there will be no holds. If you would like to meet them stop by the shelter during business hours.

to fourteen week old female Boxer. She is a sweet little girl with lots of playful puppy energy and loves all the attention she can get. She is dog friendly. We don't trained yet and hasn't eager to learn.

Meet Josie, She is a four year old female Black and Tan who came to our shelter as a stray from the Burnsville city limits area. We believe she has only ever lived outdoors. She walks excellent on a leash and is in great physical health. She has dog tested great here in the shelter and is a very gentle personality. We think she would be good with children bc she does not jump up and is very laid back. Josie does have that hound dog howl but we don't hear it often.

This sweet girl is **asha**, she is a five to six month old lab mix who weighs thirty-five pounds. She is already such a good girl! Sasha has the sweetest disposition. She is great with small children, other dogs, and has been around horses. No cats for Sasha please. This smart girl knows sit, lay, come, shake and walks great on a leash. She's only had accidents in the home when no one is around to let her out to potty. Braxton Co. Animal Shelter has been given the opportunity to provide five free dog spay surgery vouchers per month, to low-income Braxton County families. (One per household) These vouchers may be obtained by completing a Spay Assistance Application, which can be picked up and submitted at the animal shelter during business hours. Vouchers will be good for 30 days. BCAS reserves the right to deny financial assistance for any reason. "Clearly, of these complete up to 12 credit job postings in West hours in the fall and spring semesters, with the remaining six hours to be offered during a a strong entry-level or 12-week summer term. "The online, acceler-

ated format of the Strategic Leadership program will enable those who are working full or part-time, or are otherwise place-bound, to college credit they al-Oxley continued. "Not complete a four-year de- ing such opportunities edu.

The Bachelor of gram. Beginning in the Studies, Welding Tech- Science in Strategic Leadership program is similar to and complements the existing Regents Bachelor of Arts program offered at the University. However, students desiring to pursue the RBA degree may benefit from the specialized concentration made available through Strategic Leadership curriculum.

> "Having coordinated over a decade, I have witnessed firsthand the benefits of providing online courses in a compressed timeframe, which allows students to fit the completion of a college degree into their already full lives," said Regents of Bachelor Arts Director, Pamela Stephens. "While the RBA program offers students maximum flexibility in meeting their learning objectives, the Strategic Leadership degree is ideal for students who aspire to gain the knowledge and skills relevant to advance into mid and upper-level management in today's dynamic organizations."

> Program coordination will be assumed by the Dean of the College of Business & Aviation, with program oversight, admissions and advising to be coordinated through the Director of the Regents Bachelor of Arts program.

The deadline for the Fall 2022 application is August 1. The onaccessed at www.fairmontstate.edu/apply.

NOTICE OF INTENT: As of the filing of this letter, it shall be known that Daniel Paul White legally has control over 34 of the 59.5 acres of the old Paul D. Riffle homestead located at the end of the left fork of Seng Run Road in Little Birch, Braxton County, West Virginia. Steven Earl Riffle has a ¼ interest in only the 4 acres located at the old home and the wooded area directly behind it. There will be no trailers, RV's, vehicles or any further items left on said property that will not be towed at the owner's expense without written permission provided by Daniel Paul White. There will be no further Trespassing/Hunting/Trapping or any further activity on the entirety of the 59.5 acres without written permission provided by Daniel Paul White. This does not of course preclude any actions upon the remaining 55.5 acres wherein 1/4 control is in the legal ownership of a third party and therefore he may access said area to hunt. Mr. Riffle is free to access the 4 acres wherein he has an 1/4 interest to hunt. I apologize now for the necessity of having to publish this correspondence. However, the false information being repeatedly stated by Mr. Riffle must come to an end. Daniel Paul White will not be responsible for any accidents/ injuries which may occur upon said property during any illegal trespassing activities. 6-14 6-21b
