Moore named MOW at Bob Zide Rumble

Colton Moore, Braxton County High School's 195-pound grappler won an individual Championship in his weight class and was named Most Outstanding Wrestler (MOW) at the Bob Zide Rumble wrestling tournament held at Williamstown High School last Saturday. Seventeen teams participated in the tournament.

Moore earned his individual championships by defeating the state's #1 ranked AA wrestler. See full story and more photos on Page 8 of this issue.

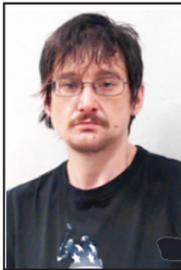

I-79 traffic stop leads to drug arrests

Braxton County Deputy Sheriff Andrew Groves was patrolling I-79 Saturday, January 23 around 7:00 p.m. when he observed a Chevrolet Cobalt with defective exhaust and improper registration headed north about the 55-mile marker.

Upon conducting a traffic stop the officer identified the driver as Jerry Ray Hart, 43, of Sutton and his passenger as Bridgette Bender, 34, of Frametown. The officer observed a piece of tinfoil in the passenger seat under Ms. Bender's purse. The officer, with the assistance of Cpl. Cleve Westfall, detained the pair and searched the vehicle. The officers located a glass pipe in Hart's shirt pocket.

Search of the vehicle uncovered burnt foil, a large amount of cash and plastic bags often used in the distribution of illegal substances.

Upon questioning the female suspect voluntarily told the officers

Hart

Bender

that she had "a bag down my pants." Bender retrieved the substance which contained 24.5 grams of a crystal substance officers believed to be metamphamide and a second bag containing 8.9 grams of a white powdery substance believed to be Fentanyl.

Under questioning, Bender identified the substances as Meth and Fentanyl and told the officers that Hart gave her the bags to put down her pants when they saw the blue lights behind them.

Cash and drugs seized during the traffic stop.

Both were arrested on charges of possession of drugs with the intent to delivery and conspiracy. The pair were arraigned before Braxton County Magistrate Beth Smith where their bonds were set at \$35,000 each. The pair remain incarcerated at the Central Regional Jail at press-time in lieu of that cash only bond awaiting additional court proceedings.

Board of Education reviews new State COVID guidelines

The Braxton County Board of Education conducted their most recent regular meeting on January 18.

Evelyn Post opened the meeting thanking Superintendent Kathy Hypes for closing the schools recently due to the inclement weather.

During the meeting, Superintendent Hypes discussed the new COVID guidelines presented by the state. She discussed the isolation and quarantine guidelines for universal masking and how vaccination status affects that. Superintendent Hypes discussed the different symptoms being seen with the omicron variant including it being more of an upper respiratory issue.

She informed the board she is looking into the possibility of starting a county screening program for all schools which will include "test to stay" and "test to play" strategies for students. This will allow students to stay in school with negative testing as an alternative to quarantining at home. Student athletes would also be able to test, if exposed, in order to participate in sporting events. Superintendent Hypes is hop-

ing to be able to find a state approved laboratory to work with on this program to get it started.

She also discussed the state started a new practice in which every school must submit confirmed positive cases by 5:00 pm on Sunday for the previous Sunday through Saturday time period into statewide school surveillance. The information will be reported to the health department.

She noted that the recent closures of classrooms have been due more to staff shortages than to outbreaks. Only two of the classrooms closed were due to a virus outbreak.

Board President DeAnna Whipkey thanked new board member Martha Dean for stepping up to fill the seat left on the park board after the resignation of David Hoover. She also asked the other board members to consider stepping in to fill the other vacancy on the WV Extension Agency Board.

She reminded board members the WV School Board Association winter conference will be held on February 18 and 19 in Charleston. Options for attending

livestream or in person are available. Deadline is February 10.

Evelyn Post discussed issues coming up in the current legislative term concerning school systems. She encouraged board members to provide input to their representatives on these issues that will impact our county.

Superintendent Hypes reminded board members starting at the next regular meeting the schools will be coming two at a time to complete their LSIC presentations.

Hypes briefly reported on the enrollment numbers for the past two fiscal years and per pupil expenditures. The numbers show the expenditures for all funding, local, state and federal, as well as food programs and salaries. Enrollment has been declining every year. She discussed the declining numbers is a combination of the pandemic and a drop in population.

Evelyn Post discussed looking into using local funds to provide optical and dental insurance for employees. Board members noted the budget would need to

Sutton Town Council conducts busy session

The Sutton Town Council met for a regular meeting on Thursday, January 13, 2022 in the Council Chambers on the first floor of the Municipal Building. Mayor JD Hoover called the meeting to order at 6:00 pm.

Present were Council members: Steve Facemire, Catherine Hoover, Robyn Dolan, Marsha Lloyd, Beth Atkins, and Municipal Clerk, Robin Smith. Absent: Recorder Laurel Petolicchio, due to illness. Also present were: Dot Gioulis, Fernando Rodriguez, Sally Stewart, Rodney Jamison, Shane Boggs, Ryan Jarvis, Spencer Hall, and Deborah Minnich

Mayor Hoover recognized Brittany Fowler and Noah McCumbers for their hard work and initiative during the town's first snow storm.

Sally Stewart spoke on behalf of Just One Generation, a program to help the feral cat problem in Sutton. Robyn Dolan made a motion, seconded by Beth Atkins to pay 1/3 of the costs (approximately \$400) for the spay/neuter/testing/euthanasia if needed of the feral cats that they can catch. A notice will be given to

the community before that cat traps are set.

Dot Gioulis spoke on behalf of the SCDC - Sutton Community Development Corp. She shared with the council a brochure from FASTERWV, a program to help start new businesses. She also discussed the progress of the Elk River Trail. A consultant will be in the area in February. There will be public meetings about the Elk River Trail in March. The consultant will present the town with their report in August. The next SCDC meeting will be the 3rd Tuesday in February.

The construction permit approval was moved forward on the agenda. Steve Facemire made a motion, seconded by Catherine Hoover to approve the construction permit for Deborah Minnich at 100 N Main St.

Steve Facemire made a motion, seconded by Catherine Hoover to accept the minutes of the December 9, 2021 regular meeting with the addition of Vivian Parsons added to those in attendance.

Beth Atkins made a motion, seconded by Robyn Dolan to accept

the financial report and pay bills.

Steve Facemire and Marsha Lloyd discussed which roads belong to the town, county owned or private. Robyn Dolan will talk to DOH to clarify which roads they plow or provide materials for the town to take care of. Beth will get clarification about Flint Lane.

Street issues at Birch Street, Billy Hall residence, and N. Baxter Street at Shingler residence were also discussed.

Marsha Lloyd stated that Walmart would provide a laptop for a police officer after the position was filled. Steve made a motion, seconded by Marsha Lloyd to table the decision about a cell phone until the next meeting. The motion passed unanimously.

Catherine Hoover made a motion, seconded by Steve Facemire to accept the proposal from Waste Management to remove the town trash truck and its contents at no cost to the town. Motion passed with a vote of four to one.

The collection of tires in the town dump that were inherited by this administration is

Commission hopes to net \$4 million for broadband

One of the actions at last Friday's Braxton County Commission could bring as much as \$4 million to the county for broadband expansion. During the meeting Larry Clifton made a motion to pledge \$1 million of the county's allotted (ARP) American Recovery Plan funds to the West Virginia Department of Economic Development's GigReady Incentive Grant Program. The county's 25% match, could if approved, provide highspeed internet services to approximately 1366 area residents and businesses with the addition of 26 miles of fiber optic cable.

Addie Facemire, newly hired director of BC Drug Testing Services was first to address the Commission at last Friday's meeting. She presented the Commission with her agency's activity report for the month of December. That information revealed a total of 62 drug screens were administer. In addition, Facemire reported that two individuals had completed the requirements of their home confinement and had been released.

John Hoffman, County OES, 9-1-1 and EMS Director had several matters to discuss with the Commission.

He presented the Commission with a report on his agencies' activities for the month

of December and the accumulative totals for the calendar year. That information showed a total of 2088 calls had come into the 9-1-1 center in December. Of that total 564 were emergency related; 150 were for county law enforcement agencies, 78 for fire departments, 142 for EMS with the remaining 174 being miscellaneous by nature.

After a brief explanation from Hoffman, Melvin Gum made a motion to approve a resolution for the purchase of a new CAD (Computer Aided Dispatch) system for the 9-1-1 Center.

The Director also requested permission to hire Samuel James

Snyder as a full-time Medic/Driver for the ambulance service. He stated that Snyder would receive \$17 per hour as well as full county benefits. He will also serve a 90 probationary period. The request was granted on a motion by Larry Clifton.

Following a brief discussion, the Commission approved changes in the county's magisterial districts brought on by the recently completed census as suggested by the County Clerk's office.

In other action the Larry Clifton made a motion led to the approval of the short settlement for David Scott Mowery as pre-

sented by the Fiduciary Supervisor.

Only one purchase order came before the Commission for consideration. The Sheriff was granted approval to purchase two ballistic vests from Markl Supply Company Inc. at a cost of \$1,476.00.

The Commission approved joining the Town of Sutton and Just One Generation in paying \$400 each to have a large colony of feral cats in Sutton spade and/or neutered.

Larry Clifton made a motion to give Sheriff Lou DellaMea permission to pay off two police vehicles totaling \$8,748.07 with funds in his budget.

It was also Clifton who introduced action

to allocate \$250 so the county would continue to participate in the Senior Companion Program.

After a review, the Commission approved the county and EMS invoices for payment.

Melvin Gum made a motion to approve the minutes of the Commission regular meeting on January 10 and a Special Meeting on January 12 as presented by the County Clerk.

The Commission adjourned at 9:27 a.m. The Commission's next regular meeting will convene on February 4 at 9:00 a.m.

Carr's Cabs, info...

Editor's Note: We received the following response to to last week's "Way Back When" picture wanting information regarding the Carr's Cabs in Gassaway.

Dear Editor,

The 1940 Census records for Gassaway shows Robert Carr as proprietor of a taxi company. His address on census form was listed as River Street.

Thirl Drake is shown in same census as a taxi driver.

January 14, 2022
President Biden,

I write to you amidst the highest numbers of active COVID cases our state has seen. I thank you for your leadership throughout the pandemic and ask for your help.

The virus is so prevalent here right now that even those who try to do the right thing are testing positive for COVID-19 and becoming ill. Most recently, our very own Governor Jim Justice became infected. He is vaccinated and boosted, as he strongly encourages West Virginians to be every day. Fortunately, Governor Justice was able to quickly receive a transfusion of monoclonal antibodies and is doing much better as a result.

Due to a shortage in-state on monoclonal antibodies, not all West

Virginians have the same opportunity. People are lying in our hospitals, waiting in our emergency rooms, and suffering at home with no relief in sight because we are experiencing a critical shortage of these antibodies.

Our state is full of people who are at high risk, with comorbidities and the underlying conditions that are considered qualifiers for this antibody eligibility. How can we gain access to additional antibodies? If you can release more, I strongly urge you to do so immediately. If additional resources are needed to produce supplies, please allocate them.

Thank you once again for your tireless commitment to defeating the virus. We appreciate your leadership and stand ready to assist as needed.

With urgency,
Stephen Baldwin

News from our Capitol

by Delegate Brent Boggs

The weather has taken a remarkable turn toward what I consider to be true winter weather over the past few weeks. Accordingly, many secondary roads, town streets and sidewalks still have many icy spots. If you're out walking to your mailbox or getting your newspaper, take great care. One slip or fall - regardless of age or physical condition - can have major consequences. If you or anyone in your family feels safe in doing so, take the initiative to clear and treat the sidewalk or driveway for a neighbor or friend that may be physically unable to perform the task.

Last Friday, January 21 marked the tenth day of the 2022 Legislative session. To date, the House has introduced 957 bills; in the Senate, 464 bills have been introduced. Twenty bills have passed the Senate; 3 bills have passed the House. No bills have passed both houses, therefore, the Governor has taken no action on any bills from the regular

session.

Bills that have passed the House as of January 21 and head to the Senate:

- **HB 4059** Clarifying that new Department of Health and Human Resources' Deputy Commissioners are exempt from civil service.
- **HB 4060** Repealing outdated sections of code relating to health.
- **HB 4067** To make certain agency reports electronic or eliminating certain agency reports.

In the Senate, a few of the bills that are headed to the House for consideration include:

- **SB 9** Providing continued eligibility for developmental disability services to dependents of military members
- **SB 22** Relating to exempting certain organizations from property taxation
- **SB 77** Allowing certain veterans park free at metered parking in any state municipality
- **SB 228** Providing tuition and fee waivers at state higher education

institutions for volunteers who have completed service in AmeriCorps programs in WV

House bills out of committee and on the floor for consideration this week include:

- **HB 2184** Increasing the criminal penalties for exposure of police or governmental to fentanyl or any other harmful drug
- **HB 3220** Restrictions on taxpayer funded lobbying
- **HB 4065** Allowing DNR to teach hunter safety courses in schools

House Finance Committee budget hearings continue this week and should be back on schedule, pending another shot of inclement weather. They include:

Jan. 24 - Dept. of Environmental Protection; Department of Education; School Building Auth.

Jan. 25 - DHHR

Jan. 26 - Dept. of Admin; Dept. of Transportation, DOH, DMV

Jan. 27 - Lottery; Department of Revenue

Of the many bills introduced this session, I'm very proud and honored to have introduced, along with my friends, Speaker Hanshaw, Delegate Westfall and Delegate Queen, **House Bill 4264**, granting university status to GSC and changing the name to Glensville State

University. This is more than a name change. It is the culmination of much hard work through the years; meeting the criteria required by the Higher Education Policy Commission, including the ability to offer master's degree in some programs. With a renewed emphasis on teacher education and a new registered nurse program in conjunction with Marshall University, there is a renewed enthusiasm on campus and in central West Virginia for the future of local higher education opportunities for traditional students and non-traditional students that are seeking to begin or return to the path to an associate or baccalaureate degree.

This week, I want to offer my congratulations to BCHS Wrestling Coach Sterling Beane on being recognized for 50 years of coaching. He was recently honored at the Braxton Co. Invitational Wrestling Tournament by his assistant coaches, BCHS administration and faculty. Sterling has influenced and mentored hundreds of student-athletes over the years and amassed impressive coaching credentials, earning the utmost respect of his athletes and his coaching peers around

look 10+ years out to see if funding could be substained long term. That way it would not be something given to employees then have to be removed in later years due to budget cuts.

The following consent agenda items were approved: approval of January 4 meeting and January 5 work session; approval of transportation requests; payment of bills; and budget transfers and supplements.

The board approved the following service and extra-curricular recommendations: employment for Ashley Mollohan, substitute aid, Samantha Davis, preschool supervisory/instructional/transportation aide/ECCAT, Burnsville, and Jamie Given, assistant wres-

ting coach, BCHS; and resignation for Schannon Dennison, substitute custodian.

The board approved the fundraisers as they were presented.

The meeting was adjourned at 6:41 pm. The next regular meeting is scheduled for February 1 at 6:00 pm. As always, members of the Braxton County community are encouraged to attend regular board meetings. Any parent or concerned community member wishing to speak as a delegate or with public concerns may do so by signing in up to 15 minutes prior to the start of the meeting.

overwhelming. A location for shredding tires will be looked into.

Beth Atkins read the exact wording of the deed transferring property

from Craig Smith to the town of Sutton.

The council discussed the removal of wall between upstairs bathrooms to bring up to code. Marsha Lloyd made a motion, seconded by Robyn Dolan to table the matter until the next meeting until the bathroom situation is reviewed.

Beth Atkins reported that a representative of Bruno Stair Lift Company from Huntington will come to the community building Tuesday Jan. 19 at 9:00 to give an estimate for a lift to make the upstairs of the community building handicap accessible.

Steve Facemire will check into an elevator system that could be installed for the same purpose.

There are still problems with the plumbing in the upstairs bathroom. The company who did the work will be called back to fix these problems. Discussion of replumbing of the entire building will be put on the next agenda.

Steve Facemire made a motion, seconded by Marsha Lloyd to keep the town's insurance as it is. The motion passed with a vote of four to one.

Town fees were discussed. A list will be presented at the next meeting for a vote.

Marsha Lloyd is looking into parking meters and writing a policy for parking permits.

A request was made that the town clerk walks through Sutton and make sure all businesses have a business license.

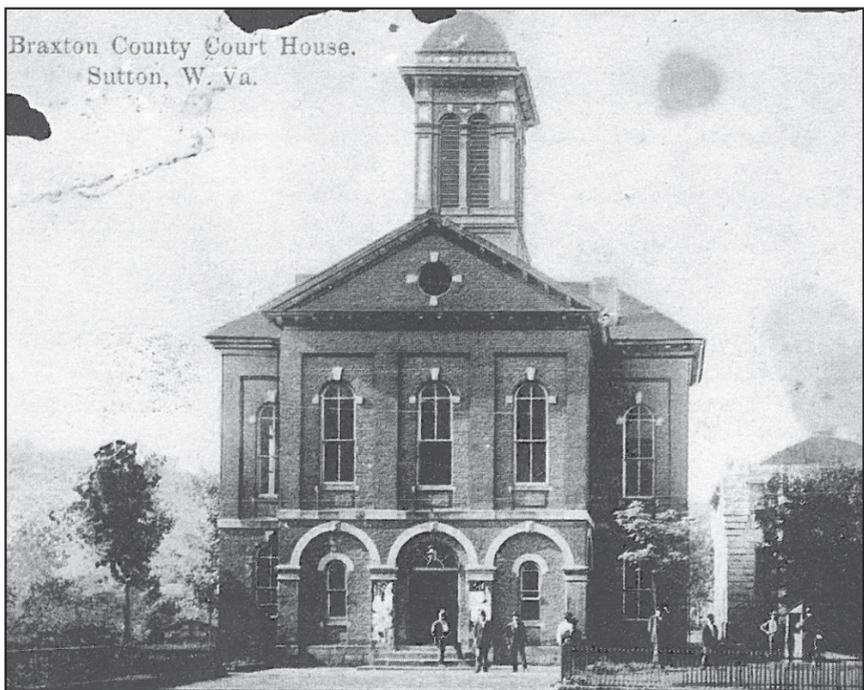

Steve Facemire reported that two maple trees in front of the Marie Kidd house are dying and loosing limbs making it hazardous to walk or park in that area. The power company has been notified and the trees will be removed. The limbs will be shredded and left on the property for the owners to remove.

Catherine Hoover made a motion, seconded by Steve Facemire to approve the construction permit for Argyle Davis at Fairview Circle.

Finally, a sad note on the passing of my friend and former colleague in the Legislature, former State Senator Joe Minard. Joe represented Harrison, Lewis, Gilmer, and Braxton Counties for many years in the 12th Senatorial District. Previously, Joe served in the House of Delegates and most recently was clerk of the State Senate prior to his retirement. He and his late wife, Mary, were great friends to Jean and me. We have many pleasant memories of enjoying time with them at the Capitol, at

OBITUARIES

Paul "Rex" Miller

Paul "Rex" Miller, 93, of Solomons, MD, sailed into the Port of Heaven on December 23, 2021. Rex is survived

by his wife and first mate, Donna, of 42 years, sons Paul Rex Miller, Jr. (Sue) CA, Eric Miller (Teri) MD, daughter Kristen Lauver (Tom Devlin) MD, sister Louise Woods, MD, and 5 grandchildren.

Rex was born in Baltimore, MD in 1928 and graduated from the Baltimore MD Polytechnic Institute in 1946. He enlisted in the Navy in 1946 and served in the Navy and the Navy Reserves. He graduated from Johns Hopkins University School of Engineering with a ME Degree, received a Masters Degree from the University of MD and attended the Oak Ridge School of Reactor Technology in Oak Ridge TN.

Rex began his career in 1951 as an academic instructor and flight test planner at the Navy's Test Pilot School at the Patuxent River Naval Air Base in Lexington Park MD, where he taught and flew with NASA Astronauts, John Glenn and Scott Carpenter. The test pilots inspired him to get his private pilot's license and he flew with the FAA Flying Club for many years.

Subsequent employment was with the Atomic Energy Commission in Washington DC where he supported the Nuclear Ship Savannah Project. Following employment was with Martin Company and NASA. After retirement from NASA, he was employed by Schafer Associates in Arlington VA as a Program Advisor to an element of the Penta-

gon's Strategic Defense Initiative Organization.

After retirement in 1997, Rex and Donna moved to Solomons MD, where his beloved Chesapeake Bay was close by. Rex was a member of the Solomons Island Yacht Club. As a boy his father took him on adventures on the Chesapeake Bay on the Baltimore Ferry, where he sketched the steamboats, airplanes and the water and sky. With adventure in his blood, he learned to sail and sailed the Chesapeake Bay over 60 years, with his most rewarding adventure being when he Captained his Tartan 37 sailboat to Bermuda, with the most exuberant feeling of returning to homeport via his beloved Chesapeake Bay.

Rex's other passion was sketching and painting. After moving to Solomons he enrolled in the Advanced Oil Painting Class at the Calvert County Office on Aging, where he assisted in forming the Color and Light Society. He was a founding member of the CalvART Gallery in Prince Frederick, MD, a member of the North End Gallery in Leonardtown, MD and the Calvert Artists Guild. One of his most rewarding venues was being juried to exhibit his art at Ann Marie Garden Artsfests.

Rex was honored to be a Southern Maryland artist exhibiting his works of water, boats, sky and clouds, and his interpretation of the beauty of the barns and nature landmarks of Southern Maryland.

Rex said that "When someone bought one of my paintings I felt I had communicated with another person in this universe in a very special way and that is the most satisfying accomplishment an artist can achieve."

Rex was a member of the former Solomons United Methodist Church congregation.

What to Say to Help You See?

During the past two years, in providing articles for the local paper I've considered a number of subjects, all aimed to make what God has revealed clearer and to encourage obedience to its teachings.

I'd like you, our readers, to look at God's word and as you do compare what is revealed there with what you accept and practice. Does his word, after Christ's death and resurrection, reveal many ways to become a child of God? (a Christian Ephesians 4:1-6) As we look at the book of Acts; sometimes called the book of conversions, how did Jews on Pentecost, (Acts 2) and thereafter become Christians? (Acts 2:38,41,47) Something I've tried to get everyone to see from verse 47 is the Lord does the adding the saved to the church. I can't know the mind of an individual when they come forward with a request for baptism. I certainly can perform the act of baptism but the Lord must do the adding. There in verse 41 it was baptized believers that were added.

As you continue through the book of Acts baptism is mentioned as a part of those who would become Christians. If you doubt that look and see for yourself. But we're told by some today that we're saved before baptism. Why then did Ananias tell Paul, "And now why are you waiting? Arise, and be baptized, and wash away your sins, calling on the name of the Lord." (Acts 22:16) Does that mean we can be saved before our sins have been forgiven?

As we think about different folks who tell us they were saved at home, sitting in a rocker in front of a fireplace, where do they go in God's word for their authority showing others saved in the same way? A sinner's prayer, faith only, accepting God into their heart, and many other ways are mentioned, but evidence or authority is not given to support them as a way to become a Christian. Look again at the evidence or authority (Matthew 28:18) Don't let others tell you something they can not find examples for in God's word.

Bettie Lou Jarvis

Bettie Lou Jarvis, 82, of Gassaway, passed away on Wednesday, January 19, 2022 at the WV Caring Hospice Center, Elkins, WV.

She was born February 16, 1939 at Duck, WV to the late Jessy J. and Lucretia Tanner Paintiff.

In addition to her parents she was preceded in death by her grandson, Adam Rollyson; brothers, Grover, Richard, Walt, Tom, Roy, and Russell; and sisters, Blanche, Ruby, and Stella.

Bettie was a homemaker and also worked for a while at Jim's Roller Rink. She truly enjoyed taking care of her yard and loved the outdoors. Birdwatching was one of her hobbies. She liked to watch the Walker Texas Ranger TV Show and liked to listen to bluegrass music. Bettie was an avid quilter. She was a Christian by faith and was ready to go to her heavenly home. She was a problem solver who had high standards. Bettie loved her family and she will truly be missed.

Left to cherish her memories are her sons, Chelsie "Bud" Rollyson and companion, Renee Rollyson, and John Jarvis and wife, Vicki, all of Gassaway; grandchildren, Amber Francis and husband, Mike, Kristie Arbogast and husband, Bryant, Joshua Brown, Chelsea Sartin and husband, Danny, and Samantha Scarff; and sister, Bessie Rice. She is also survived by several great and great great grandchildren and her dog, Scooter.

Bettie's graveside service was 1 P.M. Saturday, January 22, 2022 at Walnut Grove Cemetery, Strange Creek with Reverend Linn Schiefer officiating.

In lieu of flowers the family requests donations be made to Roach Funeral Home, 708 Braxton Street, Gassaway, WV 26624 to assist with funeral expenses.

Words of comfort and fond memories may be extended to the family at www.roachfuneralhome.com.

Donald Ray Chapman

Donald Ray Chapman, 93, of Gassaway, WV, went home to be with the Lord on January 15, 2022 at WV Caring, Elkins, WV, with his loving, devoted wife of 67 years, Bessie, at his side. Due to Covid-19 protocols, his daughter, Sheila, was not permitted to stay with him.

Donald was born on November 18, 1928. He was preceded in death by his parents, Cecil Ray and Elva Gay Chapman; brothers, Calvin Chapman, Robert "Jack" Chapman, Eugene "Gene" Chapman, and sister, Elsie Greene. He is survived by his wife, Bessie, Gassaway; daughter, Sheila (Bill) Powers, Gassaway; granddaughters, Dawn Rae (David) Smith, Athens, WV and Allison (Doug) Beall, Normantown, WV; great-grandchildren, Kennedy Smith, Athens; Brody, Joel, Brooklyn, and Baby Beall on the way, all of Normantown; and several nieces and nephews. Also surviving is a sister, Anna Blair Reed, Clarksburg; and brother-in-law, Ronald "Don" Sears, Florida.

Donald was a self-employed painter for several years until he started working for Columbia Gas until he retired. He was a proud Air Force veteran. One of his assignments as an MP was a personal chauffeur for a general in Italy. At one time, Donald was a member of Engel Chapel, Gassaway.

Donald was a loving husband, father, grandfather and great-grandfather. He loved his family and was always excited when he knew the grandchildren and great-grandchildren were coming to visit. Donald was a big fan of WVU basketball and football. He looked forward to watching the games until macular degeneration took his eye sight. After that, he continued to enjoy WVU games with the assistance of his son-in-law, Bill, telling him what was happening in the course of the games. Family Feud was another TV show he enjoyed. Donald was especially fond of his Pomeranian, King. He was a great guitarist (Chet Adkins style) and enjoyed playing with friends until he could not play any longer. His favorite song to play was the hymn, "In the Garden".

Funeral services will be held 1:00 pm, Wednesday, January 26, 2022 at Greene-Robertson Funeral Home, Sutton with Rev. Wadie Rose, Jr. officiating. Burial will follow at Rose Cemetery, Strange Creek, WV. Friends may call one hour before the service at the funeral home.

Greene-Robertson Funeral Home is humbled to be serving the Neff family. Online condolences may be sent to: greene-robertsonfuneralhome.com

Donald endured several debilitating health issues of which he never complained leaving him blind, with very limited ability to walk, talk, or hear. Now he can do them all and we are so thankful for that.

The family would like to thank the doctors and staff at the VA hospital, Clarksburg, WV; the Braxton County Senior Center; WV Caring, Elkins, and the nurses who came to the house for care Donald received. Thanks for all who gave prayers, sent cards, called, and brought food. May god bless you all.

A private graveside service with military rites was held at the Sugar Creek Cemetery, near Gassaway, with Pastor Joe Bob Truman officiating. The family would like to thank Pastor Joe Bob Truman for presiding over the graveside service and to Roach Funeral Home, Gassaway, WV, for handling the arrangements. Words of comfort and fond memories may be extended to the family at www.roachfuneralhome.com.

FRAME

Hello, Everyone!
I hope this finds you well and that you have enjoyed your week.

It sure has been cold and snowy. It reminds me of winters when I was a kid and the snow would stay on the ground for many days. Do you remember that? Our driveway has been pretty icy but thank goodness the state road has done a great job of keeping the main roads clear.

Birthdays this week are: January 25th-Lisa Knight Conant, Alice Junker Girod, Kerry Neil Smyth, Rob Hoover, BJ Cook, Nicole Butler

January 26th-Kolton Cook, Maggie Cox, Amy Saunders, Montana Flint, Austin Starkey

January 27th-Daisy Peterson

January 28th-Stan Corkhill, Brent Harris, Ava Jo Wolf, Donnie Gray

January 29th-James Leeper, Cherie Jenkins

January 30th-Katie Wentz, Teri Wentz, Brianna Hoover, Sterling P Beane III

January 31st-Beth Smith, Debbie Cooke, Rose Gunter, Michael Wehner

February 1st-Brenda Jarvis, Lynn Cook, Greg McLaughlin, Michael Davis

February 2nd-Travis Rexroad, Lori Cowger Dittman, Logan Morlan

Happy Birthday to all of you!!!

If you have news, a birthday, an anniversary or a recipe that you would like to share, email me at gassawaynews@gmail.com, message me on Facebook or you may mail it to 233 Walkers Way, Frametown, WV

26623. When mailing, please include contact information.

Please keep the following friends and neighbors in your prayers; Debra Schwab, Joe Agostino, Barb Thompson, Tom Knight, Kathryn Greenlief, Jeanie Nottingham, Amy Crockett, Johnna Stalaker, Karen "Bubba" Morris, Donna Ratliff, Sonja McCune Cooper, David Carr, Nathan Ault, Steve White, Bobby Facemire, Emma Grubb, Jill James, Thelma Hazel, Stan Corkhill, Brenda Rogers, Fawn Miller, Erika McCormick, Denny Tanner, Rusty Walker, Troy Dennison, Amy Shafer, Susan Petted, Bob Carr, and Keith Rose.

This week's recipe is Slow-Cooker Italian Pork Loin

Ingredients

2cans (15 oz each) Progresso™ cannellini beans, drained, rinsed

1cup thinly sliced yellow onions

1red bell pepper, cut into thin slices

1tablespoon Italian seasoning

2tablespoons vegetable oil

2teaspoons salt

2 1/2to 3 1/2 lb boneless pork loin roast, trimmed

1can (28 oz) Muir Glen™ organic fire-roasted diced tomatoes, drained

1cup shredded mozzarella cheese (4 oz)

1/4cup shredded fresh basil leaves

Spray 5- to 6-quart slow cooker with cooking spray. Mix beans, onions, bell pepper, Italian seasoning, 1 tablespoon of the oil and 1 teaspoon of the salt in slow cooker.

Rub pork loin with remaining 1 tablespoon

oil, then rub in remaining 1 teaspoon salt. Heat 12-inch nonstick skillet over medium-high heat. Cook pork in hot skillet 3 to 5 minutes on both large flat sides or until browned. Transfer to slow cooker. Pour tomatoes over pork. Cover; cook on Low heat setting 3 to 4 hours or until pork is cooked through (145°F in center).

Transfer pork to cutting board; let stand until cool enough to handle. Stir bean mixture in slow cooker; using slotted spoon, transfer to serving platter. Cut pork into 8 slices; place on top of bean mixture on platter, then top with mozzarella cheese. Cover platter with foil 3 to 5 minutes or until cheese melts. Remove foil; top with basil.

If you love Italian Cuisine as much as we do, you have to try Muriel's in Fairmont. Oh my goodness! It is the best that I have ever had. It is authentic and the atmosphere is perfect. It is now one of our favorite places to go. If you have been there then you know what I mean! It is well worth the drive.

Sympathy is extended to the families of Bettie Lou Jarvis, Donald Ray Chapman, Kermit Lee Neff, Ronald Eugene Conner, Jean Augusta Clark, Raymond Huffman, Kenneth Wine, Alidene Perkins Bender, and Walter Sillman. Please keep them in your prayers.

"Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home."

- Edith Sitwell

Until next week, take care and God Bless!

Finding Happiness in Hard Times

I was reading an article in the AARP Magazine that came in this past week that got me to thinking. It was written by Sari Harrar. Sari has written on health and science for over 25 years and writes frequently for AARP. Three strategies from her course and from other experts have been proven to increase happiness:

Connect. Human connection is the classic recipe, the chicken soup for happiness. Good relationships keep us happier and healthier. A sense of joy can reduce inflammation and stress that over time can break down joints, your cardiovascular system and your brain. It is not the number of friends we have but the quality of our relationships that matter.

Move.. and breath. Physical activity can boost your happiness by reducing stress and releasing the feel-good brain chemicals. Some people get a real mood

lift from exercise while others might enjoy spending time in nature. I remember the advice that my specialist, Dr. Courtney, of UHC gave me after my last joint replacement surgery. He said to get up, get dressed up and show up and that was exercise. I have followed his advise as much as possible and it does help to get out of the house on nice days for a change of scenery, fresh air and sunshine, even if I stay in the vehicle.

Take a moment to savor. Take a moment to enjoy a sunrise, the morning's bird song and the joy of our pets. These are a few suggestions or you can recall a cherished memory, play music or linger over some old photos. A regular savoring habit can increase happiness for longer periods of time.

Older people who keep themselves physically, mentally and socially active, don't get as upset when

things go wrong. They focus on the positive, on people and connections. People feel great when they have a sense of purpose. Reaching out to others gets us out of ourselves.

This Covid-19 virus has altered our lives in many ways and some people are dealing with fear and anxieties more than ever before. It is vital that we find ways to be happy. Happiness comes from within. The joy of the Lord is my strength and seeking His will each day brings happiness. Many people are depressed after Christmas. We need to reach out to them. I get on the phone and I can connect with relatives and friends on FB. When the weather gets decent so I don't have to worry about falling on the ice, I can do Drive In Church , again.

Until next time, continue to be safe and stay well. God bless and keep you in his care!

THIS WEEK IN WEST VIRGINIA HISTORY

The following events happened on these dates in West Virginia history. To read more, go to e-WV: The West Virginia Encyclopedia at www.wvencyclopedia.org.

Jan. 26, 1850: Wyoming County was formed by the Virginia General Assembly from a part of Logan County.

Jan. 26, 1960: Burnsville High School basketball player Danny Heater scored 135 points in a varsity game against Widen, setting a national record. Heater went on to receive an academic scholarship to attend the University of Richmond.

Jan. 27, 1925: Bernard L. Coffindaffer was born in Nicholas County. In the 1980s and 1990s, Coffindaffer erected clusters of crosses along the highways of West Virginia and much of the Southeast.

Jan. 27, 1933: Folk artist George Connard Wolfe was born in Standard, Kanawha County. A self-trained sculptor, he made his own tools from automobile leaf springs and engine valves and worked in stone and wood.

Jan. 27-28, 1998: Flat Top on the Mercer-Raleigh county line received a record snowfall of 35 inches in a 24-hour period.

Jan. 28, 1902: Miners Hospital No. One opened at Welch, with a young Dr. Henry Hatfield as president. The

legislature had passed a law requiring the building of state hospitals for those engaged in dangerous occupations, and eventually three hospitals were built in different sections of the state.

Jan. 28, 1937: In a flood that drove a million Ohio Valley residents from their homes, the Ohio River crested at Huntington at 69.45 feet, more than 19 feet above flood stage. By the time the water receded, five people were dead, and the city was in ruins.

Jan. 29, 1903: The great rhododendron was designated the official state flower of West Virginia, after being recommended by the governor and voted on by students in the public schools.

Jan. 30, 1818: Nicholas County was created by the Virginia legislature from parts of Greenbrier, Kanawha, and Randolph counties. The county was named for Wilson Cary Nicholas, a Virginia governor and U.S. senator who lived from 1761 to 1820.

Jan. 30, 1895: Mingo County was created from the southern part of Logan County. Mingo is the youngest county in West Virginia.

Jan. 31, 1878: Educator William Woodson Trent was born in rural Nicholas County. He served as state superintendent of schools from 1933 until 1957.

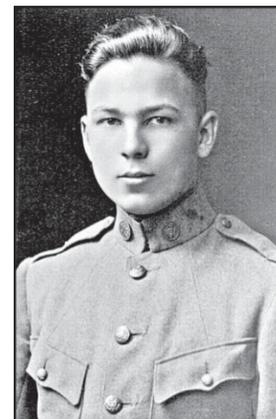

Jan. 31, 1922: Movie and television actress Joanne Dru was born Joan Letitia Lacock in Logan. Her movie career included

more than 40 films.

Jan. 31, 1945: Sergeant Jonah Edward Kelley of Mineral County was killed in action while leading his squad against German positions during World War II. He was awarded the Medal of Honor for his "superb courage."

Feb. 1, 1832: Education reformer Alexander Luark Wade was born. Wade reorganized rural Monongalia County schools to require progress through eight prescribed levels with a graduating exercise and receipt of a diploma. Wade's system worked so well, it was copied in other counties and states.

Feb. 1, 1901: Frank Buckles, the last known American veteran of World War I, was born in Missouri. Buckles purchased a farm in Charles Town in 1954 and continued to live there until his death in 2011.

PAT'S CHAT

By:
PAT RIDPATH

Thinking of our long time of little or no visiting due to Covid and then the extreme weather.

As of next weekend, I will have lived 88 years.

Things have really changed when I think of how we fill in our hours during these stay-at-home days. I have this computer and can catch up on some correspondence more easily than I did in the past. In those days it was either a written note or an expensive long-distance call. We had no T.V. in those days. We played games, but not electronic ones. We did listen to the radio and had special ones we learned to love in those years.

Our imagination was our "television"! We could "see" the people and the happenings. I wonder if that was a stimulant to our brains, our imagination.

I found the following memories in some things written by my brother, Sonny. My younger brother, Sammy, drew pictures of things he thought of, remarkable pictures which led him to a career in advertising ads back before computers, so his ads were hand drawn from the newspapers in D. C.. Following is a letter written from somewhere Sonny was living or working and he

is obviously very homesick:

From a letter written home (Harry V. Wiant, Feb. 18, 1962)

"I can see the two maples, bare of leaves at this time of year, the long steps, and the house so full of good memories and love. The river flows as it did when I probed its secrets with Toby, the old shop kind of misses being used as a saloon for cowboy games, the ashes of many a campfire where we slept could still be found in the fields and woods. I miss the special sound of the wind around the eaves of the house when one is snug under many quilts, sounds that can never be duplicated elsewhere. The best the world has ever seen envied the foxes, for the Son of Man had no place to lay his head. Man, the smartest of the creatures, leaves the fields of home, driven by the need for success and fortune. Life that is less wise stays on familiar trails. In this respect is man the wiser? He searches through the world for he knows not what and forever dreams of the fields of home. "Mid pleasures or palaces" he fails to find what he left. That will only be found again in the better land."

Then in another letter from Sonny, he is again lonely and homesick, I think:

From a letter to the folks at home (Sonny, Jan. 14, 1961)

"It's one of those rainy, foggy days, the kind of day one should do no more than throw a chunk of coal on the fire, give the dog a gentle stroke, and go to sleep curled up in the old rocking chair. After a good, long nap, one could make his way to the supper table and the thick slices of homemade bread with big chunks of butter, fresh milk, and everything else that makes a perfect meal, including a man-size serving of apple cobbler. Then, Pat or Mary would play from "The Golden Book of Favorites", Carry Me Back to Old Virginia, Juanita, and Drink to Me Only with Thine Eyes, while we'd sing in happy, if not beautiful, voices. That night, one could snuggle in the big armchair with a good book and a big pan of popcorn. In the still of the night, when the town and the surrounding green hills are at rest, it was good to go out on the porch and take a deep breath of the damp but pure mountain air, then slip off to the big, comfortable bed and heavy, homey quilts. Ah! Home! The memories are burned so deep that neither time nor distance can erase one wonderful detail."

I hope you have enjoyed these thoughts of "HOME" in those wonderful, long-ago days. You can understand why I miss my brothers so much.

Grow This: West Virginia garden challenge

The Grow This: West Virginia Garden Challenge provides free seeds to anyone in West Virginia who fills out a short survey.

Sign-ups for the 2022 season began January 1, 2022. This year's crops will be Roma tomatoes, cucumbers and Brussels sprouts. Visit the link to sign up here https://wvu.qualtrics.com/jfe/form/SV_0va9aEcMFvYdGS

The program launched in 2018 and,

for the first few years, had a few hundred participants statewide. But in 2020, as a result of COVID-19 lockdowns, more than 25,000 people signed up to receive seeds. Many were first-time gardeners.

Family Nutrition Program staff also held events around the state to distribute seeds and allow gardeners to share plants and supplies. The program keeps in touch with participants via the Grow This Face-

book page, where growers get updates on the program, share photos, compete in challenges and share advice. The page also hosts regular "Ask the Expert" live streams where followers ask WVU Extension Agriculture and Natural Resources experts for gardening and home preserving advice.

The Grow This email newsletter provides weekly to-do lists based on the WVU Extension Garden Calendar.

Dog Stories from the Braxton Tales: County Animal Shelter

Are you looking to add a four legged, tail wagging member to your family? Rescues from the Braxton County Animal Shelter are looking for their final "Forever" homes and are anxious to meet you. There is a reason we call them man's best friend. We can learn so many things from a dog's behavior, personality, demeanor, resiliency, and most importantly, the willingness to provide their family members with unconditional love, loyalty, and companionship down to their very last breath. BCAS is open Monday through Friday from 10-3. There is no charge to surrender a dog, but donations toward their care are appreciated. Adoptions are \$99.00 for male dogs and \$119.00 for female dogs, and include spay/neuter, rabies vaccination, parvo/distemper vaccination, kennel cough vaccination, flea treatment and deworming. No dog will leave the shelter unfixated and we are very willing to work with reputable 501c3 rescues. Please call the shelter for vet pricing and ask for our adoption/rescue coordinator Megan at (304)765-2

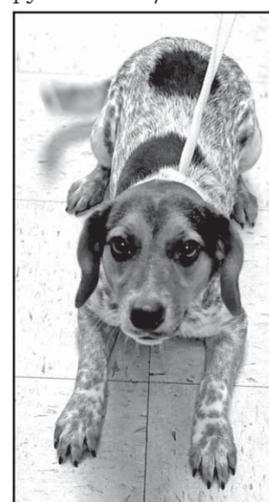

direction.

Remi is a one and a half year old male mixed breed who weighs forty to forty-five pounds. Remi was found as a stray with his brother. He's been very social and gotten along well with other dogs here at the BCAS. This is a very friendly and smiley guy who is as loving as they come with people. Remi is having to learn not to jump up so he may not be suitable for a home with small children yet. He knows sit, with a fist signal. He's lived with farm animals and cats. He has lived indoors and won't potty in the house given the chance to get outside. Remi walks great on a leash and knows his name.

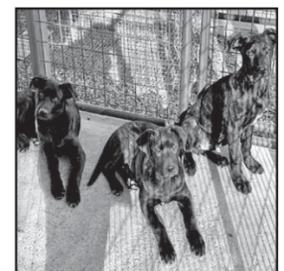

Eddie is a one year old male mixed breed, who weighs between forty and forty-five pounds. Eddie's was picked up by animal control after being hit by a car on the interstate. He was taken to the animal hospital for a dislocated hip and sutures. He has since fully healed and is ready for a brand new home with a forever family. Because he was found as a stray, we don't have much back story on this guy. He's got playful puppy energy and would make a great companion for someone with an outgoing lifestyle. His energy can be run off with activity outside and then he wants to be a lap dog and soak up all the love. Eddie's only quirk is that he doesn't enjoy the company of most male dogs but getting neutered may change that. He does great with female dogs, and may do well in an only dog household if someone would throw a ball for him regularly or take him for walks and give him things to do to occupy his active/fun mind.

Jersey is a beautiful

young female Beagle, who is under one years old, and around twenty-five pounds. She's smart and learning quickly to walk on a leash. She came to the shelter as a stray, but we do know that she will chase cats. Jersey loves to play but is not overly energetic. She will soak up all the belly scratches and love you have to give and would make an excellent addition to any loving home

Sam, Joe and Pete are littermates looking for brand new homes this Christmas! Their Mom is a German Shepherd and we can't be sure about the Dad so they are listed as German Shepherd mixes. These handsome brothers are five months old (born July 13th) and will likely mature into big dogs. They have never lived indoors and are learning to walk on a leash but they are very smart and are learning quickly. These guys love to romp and play with each other and would do well with puppy siblings. They especially love a good tug of war with a rope and some belly scratches.

Marley is an approximate six month old mixed breed female who weighs around thirty pounds and likely will stay a medium sized dog. Marley is still a puppy with playful puppy ways. She was surrendered to animal control by a caretaker who didn't have time to invest in her. She walks on a leash and knows her name and is very smart and eager to please her human. Marley could easily be trained and is food motivated. Marley has lived mostly outdoors and isn't fully house trained yet. She loves all dogs and people and would love to have a puppy sibling to play with but probably wouldn't do well in a home with small children because she hasn't yet learned to be gentle when in play mode.

The Braxton County Animal Shelter is still accepting donations in memory of Betty White. White was an avid animal lover.

Giselle is a two year female Plott Hound. She was picked up by a man traveling through Braxton, who found her under a bridge. She's very friendly, has a big ol hound dog bark, walks well on a leash and seems a little playful but not overly energetic. We don't know a lot about her because she came to our shelter as a stray. We do know she's probably not a good candidate for a home with cats but would love a puppy sibling to play with!

This little West Virginia brown dog is Stella. She came to the BCAS as a stray. Stella is around two and a half to three year old who weighs forty pounds. She's affectionate but gentle, she won't jump up so we think she would do great with a family with children. Stella isn't a barker unless necessary. She definitely knows sit and walks well on a leash. We don't know if she's ever lived indoors before. She doesn't seem to mind cats from our experience with her. Stella is a gentle soul who is eager to please and always waiting for her next pet or the next

Eagles win both basketball games played last week

Braxton won games over Gilmer and Frankfort last week. A 58-37 win over Gilmer came Wednesday night. Saturday, the Eagles outscored Frankfort 76-66.

Coach Josh Luncford commended three of his players for their performances against the Gilmer Titans. "William [Forbush] and D.J.[Coomes] both played well and their scoring showed that," he said. The coach also noted that Beau Liston pulled down 15 rebounds in a strong defensive effort. Offensively, Forbush led Braxton's scoring with 21 points, and Coomes added 18. Braxton's score included six 3's

Eagles' scoring in last week's games:		
Player	Gilmer	Frankfort
Spencer Bosely	2	0
D.J. Coomes	18	9
William Forbush	21	32
Beau Liston	4	9
Mason Abraham	4	8
Matthew Garavaglia	7	0
Jaxson Short	2	0

and a 4-8 performance at the foul line.

The Eagles' coach pointed out that Forbush and Liston both had huge games against Frankfort. Forbush had an outstanding game both offensively and defensively. He scored a team-high 32 points and, defensively, "shut down Frankfort's leading scorer in the second

half." Coach Luncford noted that Forbush held him to five points in the second half after he had scored 18 the first half. Other high points of the game included Lane Morrow's five 3's and the team's 13 for 17 success at the foul line. That performance was the team's best this season.

Frankfort scored 47-45 home win over the Eagles in a junior var-

sity game played Saturday. Commenting on the game, Braxton coach

Robert Lloyd said, "We as a team had several small mistakes, but we were able to stay in the game." The coach said he took responsibility for the loss "for not making the proper adjustments towards the end of the game."

Logan Baldwin led the young Eagles with 10 points, and Jaxson Short added nine.

The team, whose game total included four three pointers, made 12 of 27 foul shots.

BCHS Wrestling team won Bob Zide "Rumble" wrestling Tournament with 202 pts.

Eagles win Bob Zide "Rumble" wrestling tournament

Braxton's Colton Moore chosen Most Outstanding Wrestler

In the Bob Zide wrestling tournament at Williamstown High Saturday, Braxton wrestlers finished first with 202 points. Riverside and Winfield, each with 146 ½ points, tied for second.

Three Braxton wrestlers- Logan Bennett, 152, Bryce Leegan, 182, and Colton Moore, 195,

earned individual championships, and Moore received the MOW award. In the championship bout at 195, he defeated the state's #1 ranked AA wrestler.

For the championship at 182, Leegan defeated Logan Howell, who came into the tournament at 31-0. Braxton also had three runners-

up—Blayne Jarvis, 138, Bryson Spell, 170, and Ryder McLaughlin, 285.

Coach Sterling Beane said he felt Braxton's wrestlers did well. "They wrestled hard and were able to pull away and win the tournament." He also noted that he feels the Eagles are wrestling tougher competition this year.

Braxton's next competition will be Friday and Saturday in the WSAZ tournament.

5th and 6th grade youth basketball teams take to the court

This past Sunday, January 23rd, the Braxton County Youth Basketball League had another fun filled day of basketball games.

The basketball games kicked off at 1:00 with the 3rd/4th grade league.

This week we wanted to showcase our 5th/6th grade teams. Our 5th/6th graders are made up of two teams from Gassaway, the Elks and Razorbacks.

One Sutton team, the Blue Devils, one Frametown team, the Firehawks, one Flatwoods team the Falcons, and one Burnsville team, the

Lakers. The competition among these players is heating up as we head into our last regular season game held this Sunday, January 30th at Braxton County Middle School.

The Youth Basketball League Tournament will be held February 5th with the Championship games being held on Sunday, February 6th.

Learning the fundamentals and the love of the sport has been a number one goal all season with this Youth League and one that appears to have been achieved.

The Blue Devils, The Firehawks, The Falcons, The Lakers dribbled their hearts out on the basketball court this past Sunday putting their new found skills to use as they work together for a win. Photos courtesy of the Braxton County Youth Basketball League.

Need for blood donors at all-time high

February 15th from 1:00-6:00 P.M. at WVU BCMH

Blood supplies are at a critical low, and WVU Medicine is urging eligible donors to find a nearby blood drive.

"Blood is a life-saving resource for surgical, trauma, cancer, and other patients," Michael Edmond, M.D., WVU Medicine chief medical officer, said. "It is a resource that can only be obtained by the selfless act of

blood donation. Critically low supply levels like we experience now make it challenging to provide care to those who depend on it."

According to the American Red Cross, one donation can save up to three lives, and the typical blood transfusion recipient receives three units of blood.

You may be eligible to donate blood if you

are in good health and feeling well, are at least 17 years of age, weigh at least 110 pounds, and have not donated blood in the last 56 days.

"Blood donation only takes a few minutes of your time, but it can make an enormous impact on someone's life," Dr. Edmond said. "I strongly encourage everyone to donate blood if they are able."

Find a blood drive near you at Vitalant.org or RedCrossBlood.org.

Braxton Books for Babies continues monthly online book readings

Braxton Books For Babies, a free program that encourages literacy development for children prior to school enrollment (birth to four years of age), offers a registration form on their Facebook page for the first seventy-five families to sign up and participate in fun, educational books and activities. Once families are notified, packets are ready for pickup at the Board of Education Office. Families are instructed to drive through to get their packets. The packets include all their books and activities for the month.

The following dates are for February 2022 to April 2022:

February theme is Dr. Seuss, Registration is on Tuesday, February 1st, and Packet pick up will February 15th from 10:00 to 11:00 A.M. at

Braxton County Animal Shelter thank you note

Max would like to say thank you on behalf of the entire Braxton County Animal Shelter, to everyone who has donated from our Amazon Wishlist and monetarily via PayPal for Betty White's 100th birthday!

We are so very blessed with the best followers, adopters and rescues. Without you we wouldn't be able to help these precious pups with vetting needs and finding them amazing homes and rescue placements.

Betty would have been incredibly proud of what her birthday meant to shelter and rescue animals all across the country this year! She was a lifelong animal advocate with a special place in her heart for dogs, so we say thank you Betty for being a voice to those who have no voice and most

of all thank you to our community for continuing to be a friend to our small local animal shelter. #BettyWhiteChallenge

Max came to our shelter in April as a puppy and was returned in early November for chasing chickens. He has spent the last 3 months with us and would love to have a for-

ever home of his own. He is a special boy who is smart, gentle, patient and so kind. He is eager to please his human, treat motivated, walks well on leash and would make a loyal, loving companion. Max is one of the best good boys we have right now. If you'd like to add a heart of gold to your life give us a call to meet him

KITTY KORNER:

Affordable, Adoptable, Fixed Feline Friends

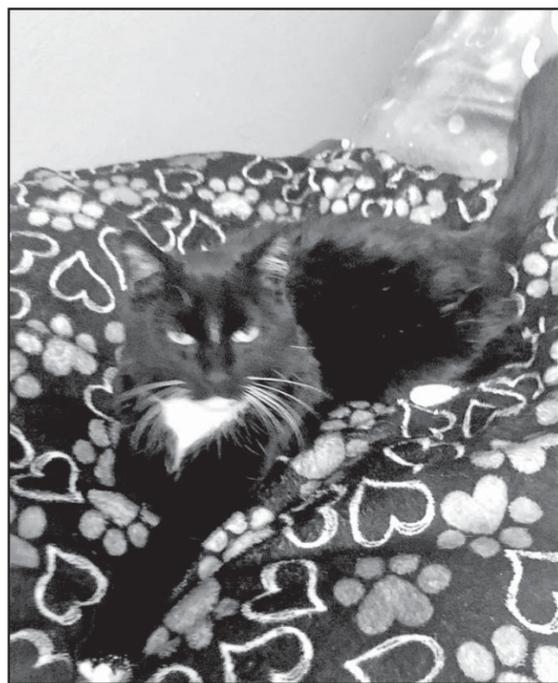

As the holiday approached, we remind you that pets are a lifetime commitment, and not just a present for under the tree on Christmas morning. Just One Generation recommends that new pets NOT be introduced to a household on or at Christmas morning, but rather several weeks before or after the event. This gives all the best chance for the pet to adapt to its new environment.

Just One Generation cat rescue was formed in 2013 to help address the severe feline overpopulation problem in our area.

All of our adoptable cats and kittens are looking for indoor homes, and are litter box trained, social, have been vaccinated, dewormed, and received topical flea protection. Spay/neuter/rabies is included with our modest adoption fee of \$35, and older kittens and cats may already be done at the time of placement.

This week we feature two current residents in our program who are currently looking for homes. More adoptable animals can be viewed on petfinder.com by entering a search for CATS at location 26623, or by LIKING our Facebook page. Additional information can be obtained by calling Sally Stewart at 304-364-4136.

DJ: Three year old male. Tuxedo. Neutered. Short-haired.

DJ has his tuxedo on ready to be your Valentines Day man!

Hannah is looking for a warm lap to enjoy her next cat nap on this Winter as she dreams about Spring! Very gentle and submissive but intimidated around larger male cats.

Hannah: Three month old female tortoiseshell. Has received all basic medical care including testing for feline leukemia. Spay/rabies vaccine scheduled.

Meet a Food Banker Elk Conservation District hosts Annual plant and tree sale

This week we're highlighting Britnie Anderson!

Britnie joined our team as a Mobile Food Pantry Assistant in 2020 but now serves as our Lead Produce Packer.

She leads a crew in receiving and shipping produce across our service area. Britnie receives various shipments and then packages produce into approximately 4,000 mixed produce boxes to be distributed through our programs.

Britnie enjoys helping others so working at Mountaineer Food Bank is a natural fit.

Thank you, Britnie, for all you do!
